FBI Document Is Surrendered In Clinton Case

Judge Orders Data Released

KNOXVILLE, Tenn., July 10 (AP)—The government today surrendered a document from its long-protected FBI files in the mass contempt trial of 16 defendants in the Clinton segregation case.

It was a signed statement. However, the government did not hand over to the defense an FBI agent's written summary of his conversation with the witness who signed it.

The so-called "raw files" consist of such summaries by FBI agents, and these, in this case, were given to U. S. District Judge Robert L. Taylor.

The 19-man staff of defense lawyers crouched forward as U. S. Dist. Atty. John C. Crawford Jr., with a dramatic show of reluctance, cautiously fingered the FBI data—and finally released it to the defense.

Judge Orders Release

The incident came after J. Benjamin Simmons of Washington, D.C., attorney for White Citizens Council leader Frederick John Kasper, cried out to the court: "We should have it (the secret FBI data) now so we can prepare our case and not be forced to wait until we have been sandbagged."

Federal Judge Robert L. Taylor directed the surrender of the FBI document in line with a recent Supreme Court decision that the defendants in a criminal case are entitled under certain circumstances to examine long-sacrosanct FBI "raw files" to prepare their defense.

Taylor ruled that he would ask the government to disclose such data in cases where a witness in the current trial has made a report to the FBI and where that report might be used to "impeach" the witness' accuracy.

Educator's Statement

In this instance, the FBI data was a statement from Robert G. Cossno of Norris, Tenn., chairman of the Anderson County (Clinton) School Board which agreed last fall under federal mandate to integrate white and Negro students in its previously all-white high school.

The surrender of the document—contents of which was not disclosed before court recessed for the day—caused little apparent stir among the defense lawyers after they received it.

While agreeing to defense demands for the right to inspect pertinent FBI documents, Taylor told the massed battery of defense lawyers: "You will not get all the files of the government."

And as defense attorneys sprang up to re-emphasize their demands, Taylor banged his fist on the bench and snapped: "That's the end. I don't want to hear it any more."

Recent Tennessee Outbreak Not Polio

NASHVILLE, Tenn., July 10 (AP)—The State Health Department reported today that a recent outbreak of a polio-like disease, which hospitalized 44 Johnson County children, was not polio, after all.

Dr. C. B. Tucker, director of the preventable disease division, said laboratory tests showed no evidence of any known type of polio.

Divorced Man's Child Bride, 11, Returns Home

MUNFORD, Tenn., July 10 (AP)—A 44-year-old divorced man disclosed today he is married to an 11-year-old girl, the daughter of a neighbor.

Jesse H. Scott, a truck driver, said he and the girl, Portia Virginia Johnson, were wed last May 27 in a civil ceremony at Senatobia, Miss.

Portia's father, Leroy Johnson, objected to the marriage but her mother gave her consent and was present when the ceremony was performed, Scott said.

"The child bride returned to her parents' home after the marriage, went to live with Scott June 30, then went back home again last Saturday.

"During this period," Scott said, referring to Portia's stay with

Private Plane Crash In Alaska Takes Six Lives

ANCHORAGE, Alaska, July 10 (AP)—A two-engine plane crashed on take-off from King Salmon Airport on Bristol Bay today, killing at least six persons including members of a prominent Washington state fishing family and a widely known New York businessman.

The Civil Aeronautics Administration office here had few details of the crash other than the plane, a Lockheed Lodestar, nosed over after reaching an altitude of about 500 feet, crashed to the ground and burned.

At Seattle, family friends identified those on the plane as:

C. R. Vose, about 60, New York City insurance man with wide business interests.

Mrs. H. B. Friele, about 55, Bellevue, Wash., whose husband is a widely known cannery operator and Pacific Northwest representative for the Great Atlantic & Pacific Tea Co., operator of A&P stores.

Mrs. Harold B. Friele, daughter-in-law of Mrs. H. B. Friele, Harold Friele is assistant superintendent of the Nakeen, Alaska, cannery.

The CAA named the others as Edward Coligny, pilot, Ralph Hutches, co-pilot, and Polly Evans, all of Brooklyn, N. Y.

Vose, who also had business interests in the Virgin Islands, was owner of the plane. He had been on a business trip to Alaska and the two Mrs. Frieles had accompanied him to visit their husbands. They were returning to Seattle when the plane crashed.

Woman, 285, Knows How To Hold Man

SALISBURY, July 10 (AP)—Mabel Lennox of nearby Hebron knows how to hold her man.

For the police, that is. Trooper Roswell E. Jones testified in Peoples Court that he answered a call at Miss Lennox's home. He found her boy friend Charles R. Crissey, on the floor and Mabel sitting on him.

"I've got him for you," Jones quoted her as saying.

Miss Lennox told the judge Crissey hit her. Crissey was fined \$25. Mabel weighs 285 pounds. Crissey runs about 140.

him, "I treated her more like a daughter than as a wife. I have not harmed her."

Sheriff Ben Billings said the young wife returned to the Johnson home at her father's insistence and after Billings told Scott "I don't want you living together in Tipton County." Billings said, however, he knows of no legal reason why the couple could not live together.

Scott claimed he had never encouraged the romance and said he would not attempt to have Portia return to him over her father's objections. The father said he might seek an annulment of the marriage.

The Johnsons have seven other children ranging in age from 4 to 18. Scott has a 15-year-old son by his previous marriage.

Sen. Russell Confers With Eisenhower

Georgian Reports Chief Executive's 'Mind Not Closed'

WASHINGTON, July 10 (AP)—Southern foes of the civil rights bill were reported today to be looking to the Eisenhower administration for a compromise offer which might soften the terms of the measure.

Their hopes appeared to be aroused by a report from Sen. Russell (D-Ga.) that President Eisenhower's "mind is not closed to amendments which would clarify the bill."

Russell, leader of the Southern opposition, spent about 50 minutes with the President today. He said he had asked for the appointment to discuss the bill, with particular reference to some provisions he regards as "very extreme."

Eisenhower was understood to have made no commitments and to have mentioned no specific compromise proposals. Nevertheless, Russell was obviously hopeful that some administration move might be forthcoming.

Celler Criticizes Ike

A few hours after Russell discussed his White House visit with newsmen, Chairman Celler (D-NY) of the House Judiciary Committee complained that "there seems to be no fight in the administration."

"The President bends with every wind," Celler said in a statement. "I can't see a Truman or Roosevelt—Teddy or FDR—yielding so pusillanimously."

"We liberal Democrats went out on a limb in fighting for this bill, a limb the administration now would cut off."

Vice President Nixon, the presiding officer of the Senate, was quoted today as saying he "fully expects" the Senate to pass the civil rights bill "in some form" before Aug. 15. Rep. Griffin (R-Mich.) reported Nixon made the statement at a breakfast meeting of freshmen GOP congressmen this morning.

Meanwhile, the Senate went through the third day of its debate on a motion to bring the bill to the floor.

Hoffa and Fischbach are jointly charged with bribing a Senate Rackets Committee investigator, John Cye Cheasty, to steal committee secrets for Hoffa.

Hoffa is considered a possible successor to Dave Beck as president of the Teamsters Union.

Basic Right Seen In Peril

Sparkman contended the legislation's attempt to improve voting rights would strike down a fundamental American right that had been won during centuries of struggle.

Under the bill, he said, judges could issue injunctions against local voting and school officials and then impose penalties without jury trials.

"This represents bad law," he declared.

In the course of private compromise talks on Capitol Hill it was pointed out that the administration could propose changes in the language of the bill passed by the House June 18. It was said the changes might be proposed at the proper time by Sen. Knowland of California, the Republican leader, as a result of conferences with Atty. Gen. Brownell and others.

There seemed little likelihood that any proposals would be brought forward publicly until there is a vote on Knowland's motion to bring the bill actually before the Senate.

Zorin Reopens Door To U.S. H-Test Plan

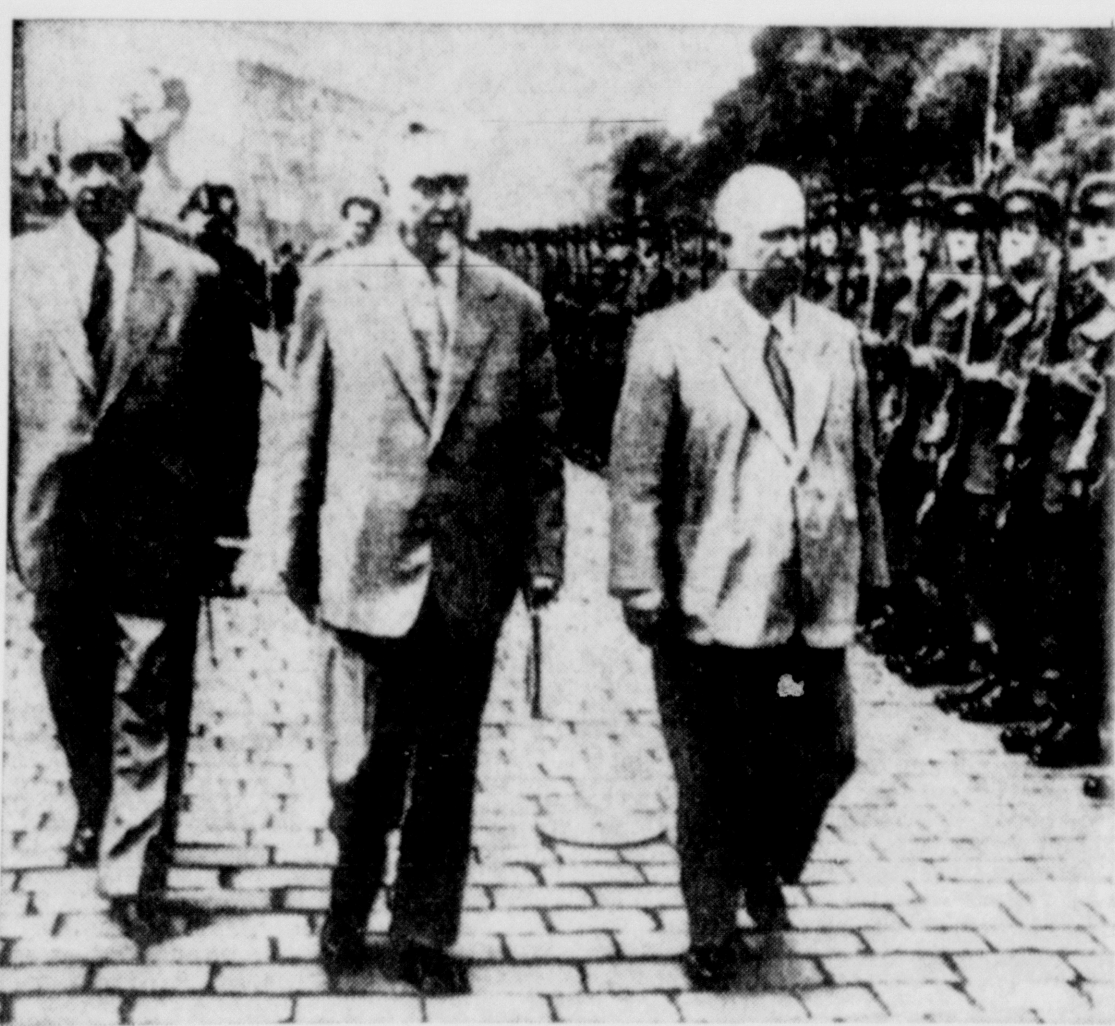

LONDON, July 10 (AP)—American informants said today Russia has invited new discussion on the U.S. proposal for a 10-month suspension of H-bomb tests.

The informants said Valerian Zorin, Soviet delegate to the U.N. Disarmament Subcommittee, asked U.S. delegate Harold E. Stassen to elaborate his argument and added, "Perhaps you can convince us."

Zorin was quoted as saying that if the length of suspension of nuclear tests could be agreed on, an experts' committee could map out how the suspension could be enforced.

Previously Zorin had demanded a suspension of tests for at least two years.

Stassen promised a statement tomorrow.

Illness Of Lawyer Delays Hoffa Trial

WASHINGTON, July 10 (AP)—Midwest Teamster boss James R. Hoffa's bribery trial hit a series of snags today when a defense attorney was hospitalized with a heart ailment and a juror excused for illness.

U. S. District Judge Burnita S. Matthews convened court four separate times without deciding how to proceed in the case, now in its fourth week, and put off a decision until tomorrow morning.

There was a question whether there would be a mistrial as to Hyman I. Fischbach, Miami attorney being tried with Hoffa, or as to both defendants. The problem of the sick juror was solved when an alternate was seated.

Hoffa and Fischbach are jointly charged with bribing a Senate Rackets Committee investigator, John Cye Cheasty, to steal committee secrets for Hoffa.

Hoffa is considered a possible successor to Dave Beck as president of the Teamsters Union.

Grocery Chains Cut Coffee Price 4 Cents Pound

CHICAGO, July 10 (AP)—Five large grocery chains will reduce the price of their own coffee brands by at least four cents a pound, effective tomorrow.

Jewel Tea Co. and National Tea Co. announced the reductions from their Chicago headquarters. Similar cuts were announced in New York by three other large food chains.

Jewel said its prices were reduced to 79 cents for one brand, and to 89 cents for another. National lowered one brand six cents a pound to 69 cents and other four cents to 79, 85 and 95 cents, respectively.

Both companies said the drops reflect the declining green coffee market.

In New York, H. C. Bohack Co., Inc., and the Grand Union Co. announced price reductions of four cents. The Great Atlantic & Pacific Tea Co., made no announcement, but advertisements in tomorrow's newspapers will mention the price cut.

Mrs. Coolidge Rites Simple And Brief

NORTHAMPTON, Mass., July 10 (AP)—Simple and brief funeral services were held at Edward Congregational church today for Grace Goodhue Coolidge, widow of Calvin Coolidge, 30th president of the United States.

Some 400 relatives and friends attended the unostentatious services.

In compliance with Mrs. Coolidge's wishes there was no eulogy. Her son, John, had asked that no flowers be sent but there were a dozen floral pieces in the church including a huge cross from President and Mrs. Eisenhower.

John, 51, only surviving child, of Farmington, Conn., was accompanied at the services by his wife and two daughters.

Judge Declares Hildy Ellises' Legal Daughter

MIAMI, Fla., July 10 (AP)—Freckle-faced Hildy McCoy, who was born in the Roman Catholic faith, today became the legal daughter of a Jewish man and his wife who have been the only parents she ever knew.

There was a possibility, however, that Mr. and Mrs. Melvin Ellis, who risked a kidnapping charge when they fled with 6-year-old Hildy from Massachusetts to Florida, may have another legal battle on their hands to keep her.

After Circuit Judge John W. Prunty declared today that Hildy is the legal daughter of the Ellises, attorneys for her natural mother, Mrs. Marjorie McCoy Doherty, said the decision might be appealed to the Florida or the U. S. Supreme Court.

The decision on further court action will be up to Mrs. Doherty, who does not want Hildy herself but wants her placed in a Catholic home.

The primary concern of this court is the present and future welfare and happiness of the minor," Judge Prunty said. He added that the separation of Hildy from the Ellises "might result in irreparable damage to her."

Ellis, a 45-year-old Brooklyn, Mass., clothing salesman, and his wife took Hildy when she was 10 days old, allegedly with the consent of her mother.

When they applied for legal adoption, they were turned down under a Massachusetts law requiring that children be adopted by persons of the same religious faith.

Ordered to turn the child over to Massachusetts welfare authorities, they brought her to Florida instead. They were indicted on a kidnapping charge but Florida's Gov. Leroy Collins refused to let Massachusetts authorities take them.

Runaway Girls Pile Up Stolen Auto, Killing One

WASHINGTON, July 10 (AP)—A stolen car occupied by two runaway teenage girls from Pennsylvania thundered into a streetcar loading platform at more than 100 miles an hour early today.

In the roaring crash—some residents said it sounded like "a big gas explosion"—15-year-old Patsy Zabrosky was thrown 50 feet to her death. Her companion, 18-year-old Louise Heinzel, was tossed 35 feet and suffered serious injuries.

At Casualty Hospital Miss Heinzel's condition was described later in the day as serious. She suffered a possible fracture of the right elbow, cuts of the face, numerous bruises and, the hospital said, her neck may be broken.

Ex-Premier Will Manage Remote Plant

Reds Declare None Of Ousted Leaders Being Persecuted

LONDON, July 10 (AP)—Moscow radio said tonight ex-premier Georgi Malenkov has been made manager of a hydroelectric plant in East Kazakhstan and Soviet leaders deposed with him last week have been assigned to unspecified other work.

None of the ousted leaders is being persecuted, the broadcast said, for "anti-party activities" that led to their removal from party and government posts.

The broadcast did not give the nature of the new assignments for V. M. Molotov, Lazar Kaganovich and Dmitri Shepilov. It said merely that they had been given other work.

Malenkov's new post is about 1,800 miles from Moscow.

Kazakhstan served as a place of exile in Stalin's era. His most bitter opponent, Leon Trotsky, spent some time there after he was thrown out of the Central committee of the Soviet Communist party.

Trotsky Exiled In Verny

Trotsky was sent in 1928 into exile in the City of Verny, now known as Alma Ata, the capital of Kazakhstan. It is not as remote from civilization as Ust Kamenogorsk, where Malenkov has been assigned.

The broadcast said the decision that booted Molotov, Shepilov, Malenkov and Kaganovich out of their party and government jobs was "the most democratic possible."

It said the deposed trio was given "every opportunity" of expressing their views.

The Moscow broadcast announcing the new assignments was in reply to what it called Western "propaganda fabrications" about the fate of the ousted leaders.

The broadcast said Malenkov's new job "makes it clear that the myths being spread by some of the Western journalists about the persecution of the members of the anti-party group are merely intended to defame the Democratic Soviet system and the Central Committee of the Communist party."

Plant Built By Forced Labor

Ust Kamenogorsk is a place where thousands of political prisoners and other forced laborers were put to work building the dam and electric plant.

Many inhabitants Malenkov will find are tantamount to be from among former political prisoners who have been released but remain under special decrees permitting them to live only at distances remote from Moscow.

If Malenkov wants to get out of the country, he is only 200 miles from Red China. It borders the Province of Kazakhstan, but there are high mountains in the way and the bordering Red China Province of Sinkiang is one of that country's most remote.

Beck Testifies, Talks Freely

SEATTLE, July 10 (AP)—Dave Beck testified before a King County grand jury today in a long-awaited appearance.

The Teamsters Union president was in the locked jury room for 45 minutes.

The grand jury was called by King County judges mainly to probe into the handling of Teamsters Union funds.

When Beck emerged smilingly from the jury room, he said in response to a question as to whether he had answered questions freely: "Very definitely, but no comment."

Prosecuting Atty. Charles O. Carroll commented:

"Yes, Mr. Beck did testify freely, but it should be pointed out that the subject matter was limited."

Beck remains under subpoena, but a deputy prosecutor said it is indefinite whether he will be recalled.

Beck has unsuccessfully challenged in court the right of the grand jury to force him to appear when it was seeking information which might be used against him.

The court held that he could not evade the grand jury subpoena but that his right to invoke the Fifth Amendment would come when specific questions were asked.

Passport Controls Needed, Legislators Say; Cite Spy Case

Hruska, Walter Criticize Moves To Loosen Curbs

WASHINGTON, July 10 (P)—Sen. Hruska (R-Neb.) and Rep. Walter (D-Pa.) separately cited the Zlatovskis espionage case today as evidence against the moves, in court and elsewhere, to loosen U. S. passport controls.

Both Walter, chairman of the House Committee on Un-American Activities, and Hruska, a member of the Senate Internal Security subcommittee, issued statements in reference to the court action two years ago through which Mrs. Jane Foster Zlatovskis finally obtained a passport which the State Department had refused.

Mrs. Zlatovskis and her Russian-born husband, George, a former U. S. Army intelligence officer, have been indicted in New York on charges of spying for the Kremlin—charges which they call false and ridiculous.

They issued their denial in Paris where Mrs. Zlatovskis travels on the passport Walter and Hruska criticized. The U. S. government is seeking to extradite them.

In a statement aimed at what he called "the folly of the present campaign against security safeguards in our government," Hruska said he had "verified" the circumstances of Mrs. Zlatovskis' passport case.

"It is a sound instance of the contention that the secretary of state should have some discretion in denying a passport to a suspect without having to put all the evidence and information supporting his decision into the public record," he said.

"In the case of Mrs. Zlatovskis, the secretary of state was forced to choose between producing his evidence or issuing a passport. He could not prejudice the security involved in the surveillance then going on and had no alternative but to grant the passport."

"As a consequence a Communist suspect who has been indicted for espionage was able to move about in Europe for two additional years on an American passport and is now outside the jurisdiction of the United States. The passport of George Zlatovskis was not renewed by the Department of State after 1954."

Walter said Congress must "assert its prerogatives as the law-making body of the national government."

Boy Retaliates After Ejection From Drive-In

HAGERSTOWN, July 10 (P)—A 13-year-old boy told State Police he was tossed out of the nearby Hi-Way Drive In Theater after sneaking in without a ticket. So he:

Smashed all the windows in the projection building, snack bar and ticket booth.

Cut the wires to the sound system.

Broke out the lights in the theater driveway.

Smashed a big sign at the entrance.

He was picked up last night after the foray yesterday and held for Juvenile Court.

Byrd Estate \$50,000

BOSTON, July 10 (P)—The late Adm. Richard E. Byrd, noted polar explorer, left a personal estate of \$50,000, it was revealed today in papers filed with the Register of Probate.

Byrd's widow, Marie, was named beneficiary of his will.

Soviet Believed Winning Atomic 'Kilowatts Race'

WASHINGTON, July 10 (P)—Soviet Russia may be winning the first round of the atomic energy "kilowatt race" with the United States, congressional economists reported today.

They added that future prospects of Soviet nuclear power development cannot be viewed with complacency.

This evaluation of Russia's program for industrial uses of the atom was contained in a 150-page study of Soviet economic growth, which in the main was found to be capable of supporting "a formidable military machine."

The appraisal was prepared for the Senate-House Economic Committee by the Library of Congress Legislative Service under the direction of Dr. Charles S. Sheldon II.

The report said Russian heavy industry has shown a greater rate of growth than U. S. industry, but "at a great cost to the Soviet people."

And in spite of pressure to spur Soviet industrial growth at all costs, Russia's gross national output of all goods and services was reported to be still only about one-third that of this nation.

The prospect of Russia emerging as the world's major producer of nuclear-generated electrical energy was based on reported Kremlin plans to complete a number of large generating plants of a half-million or more kilowatts capacity by 1960.

The only comparable operation in the United States, the study pointed out, is the large-scale power reactor now nearing completion at Shippingport, Pa., near Pittsburgh.

"If these plants are built on schedule, the Soviet Union would win the first round of the kilowatt race," the report said.

"Future rounds will depend upon the effort made at basic research. The United States seems to have a good lead, but not one which can be viewed with complacency."

Smallest Crop Output Since 1951 Likely

WASHINGTON, July 10 (P)—The Agriculture Department said today total crop output this year now seems likely to be the smallest since 1951.

It said that slow and unpromising start for main crops planted last fall and this spring in important areas threatens to hold down production from recent levels.

The harvested acreage may edge slightly above last year's total because of a record rise in plantings of sorghums and increased acreages of barley and oats, although the total planted acreage may be the smallest in nearly 40 years.

House Passes Military Construction Measure

WASHINGTON, July 10 (P)—The House formally passed today a bill to authorize the armed forces to spend \$1,676,622,000 for construction of military public works here and abroad.

The bill, sent to the Senate for action, would only authorize the expenditure. Actual funds would have to be provided in a separate measure.

The bill authorizes the spending of \$13,303,000 on 10 Army, Navy and Air Force installations in Maryland.

Kansans Flee Flash Floods

TOPEKA, Kan., July 10 (P)—Swift, heavy rains in Eastern Kansas today sent flash floods surging down creeks and rivers, forcing scores of persons to leave their homes.

In most places the waters receded quickly and first Weather Bureau predictions of unusually high water in the Topeka area were revised downward.

Worst hit were low-lying sections of Topeka and the small farming community of Richland, 18 miles south of here. Mrs. Georgia Neese Clark Gray, former United States treasurer, whose own home at Richland was in the flooded area, said between 175 and 200 residents were forced to leave their homes during the morning as the overflowing Wakarusa River and its tributary Camp Creek sent up to five feet of water through the town.

No casualties were reported in any area.

A freak cloudburst in the Kansas River Valley near Abilene, 80 miles west of here, dumped an estimated 10 inches of rain on a single farm and sent a wall of water rushing across U. S. Highway 40 so suddenly it swept five passing cars into a ditch. All occupants escaped injury.

'Body' In Cistern Turns Out To Be Remains Of Dogs

COLORA, Md., July 10 (P)—State police thought they had found a body on a farm near here today but it turned out to be the bodies of two dogs.

Lt. Truman Moon and Trooper William B. Fossett had gone to the Thomas Lippencott farm with Dr. R. C. Dodson of Rising Sun, Cecil County medical examiner, when the "body" was found at the bottom of a cistern.

The state police barracks said a few hours later that Dr. Dodson confirmed the bodies were those of two dogs. Trooper Fossett said it was dark at the bottom of the cistern when police shined their flashlights down.

"That closes the case as far as we're concerned," said state police.

Israel-Syria Peace Plan Made By U.S.

JERUSALEM, Israeli Sector, July 10 (P)—The United States stepped in today with a direct plea for peace on the tense Israeli-Syrian border.

William Baxter, U. S. Charge d'affaires, called on Walter Eytan, director general of the Israeli Foreign Ministry, and expressed hope that Israel "would do everything to keep her border quiet."

An Israeli army spokesman announced that one Israeli civilian was killed and seven policemen wounded in shooting along the Syrian border yesterday. U. N. cease-fire pleas were credited with halting the shooting.

"Short" Shorts Banned But Pedal Pushers Okay

HAGERSTOWN, July 10 (P)—After mulling it over, a company-union conference at the Fairchild Aircraft Division decided this was the long and short of the matter: Short shorts on lady airplane builders are out.

Pedal pushers — sort of knee-length shorts — are an accepted costume provided they have "no loose ties or split seams" and are plain colored or plaid.

A complaint from a woman who was told she couldn't wear pedal pushers resulted in the top-level decision.

Charles County Tavern Owners Are Dealt Blow

LAPLATA, Md., July 10 (P)—A law passed by the 1957 General Assembly did not authorize the sale of mixed drinks on Sunday in Charles County, the attorney general has ruled.

This opinion came as a blow today to tavern owners who have been serving diluted liquor on Sundays since June 1. They were acting under a new law which limits the strength of Sunday drinks to 2 per cent alcohol by volume.

The tavern owners and county official had interpreted the law to mean that liquor stronger than 20 per cent alcohol could be diluted by mixes.

But the attorney general interpreted the law to mean no ingredient of a mixed drink may be stronger than 20 per cent alcohol.

The ruling was received yesterday by George W. Bowling, State's attorney for Charles County.

President Welcomes Pakistan's Prime Minister To Washington

WASHINGTON, July 10 (P)—President's personal plane, Columbine III, Suhrawardy went to the White House for a stag luncheon with the President, Nixon and other officials, including Secretary of State Dulles.

President Eisenhower walked down the steps of the White House to shake hands with Suhrawardy, an outspoken foe of neutralism and communism in Asia.

Suhrawardy, at the airport here, said the 80 million people of his country are grateful for the assistance the United States has given toward Pakistan's security and economic development.

Reddick Asks Court To Move Perjury Trial

BALTIMORE, July 10 (AP)—Dr. Robert H. Reddick, charged with perjury and conspiracy by trying to provide counterfeit medical credentials for an out-of-stater, today asked the court to move his trial out of Baltimore City.

The rotund medic, ousted as chief psychiatrist at Eastern Shore State Hospital after his connection with an illegal board of homeopathic medical examiners ran him afoul of the law, asked the change of venue on the ground that publicity he has received here would prevent him from receiving a fair and impartial trial.

Dr. Reddick pleaded innocent to the three charges against him—two of perjury and one of conspiracy—in an appearance before Circuit Judge E. Paul Mason.

The change of venue was denied temporarily by Judge Mason on the technical ground that it should be made in writing and supported by exhibits. Morgan L. Amaimo, attorney for Dr. Reddick, told the court such a formal motion would be submitted later.

Amaimo said "newspapers have contaminated the area" with "voluntarily promulgations" regarding his client.

Dr. Reddick and Dr. Joseph A. Gotz, Maryland chiropractor living in Washington, had been called for arraignment on a joint conspiracy charge accusing them of attempting to provide spurious medical credentials for an out-of-state woman.

Because of his out-of-state address, the Washington man was not summoned today.

W.Va. Cigaret Tax Take Up 1 1/2 Million

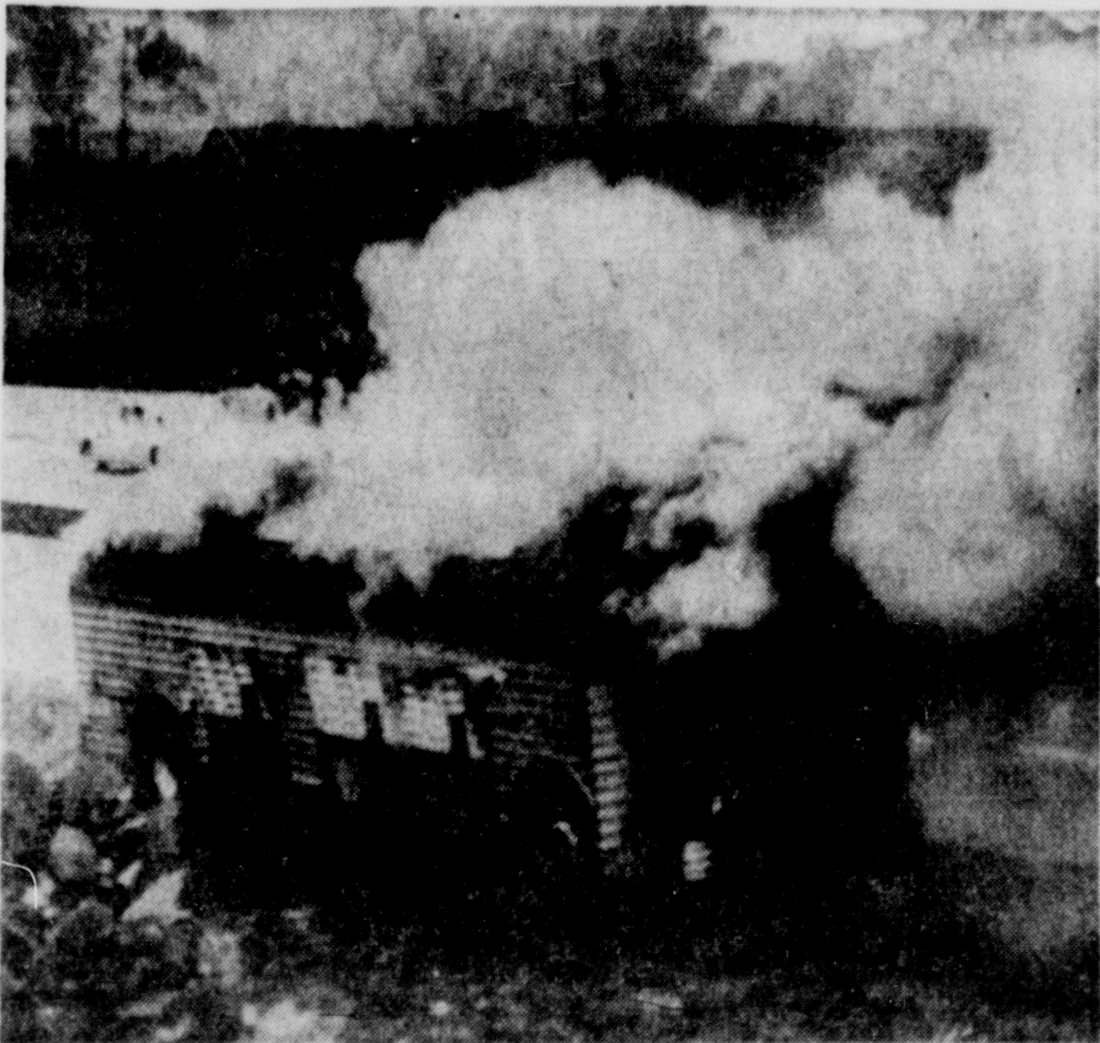

CHARLESTON, W. Va., July 10 (AP)—West Virginia collected 1 1/2 million dollars more in cigarette taxes during the fiscal year just ended than in the previous 12-month period, the Tax Department said today.

A large part of the increase was attributed to a one cent increase in the tax, bringing it to five cents per pack. It became effective July 1, 1956.

During the year ended last June 30, the State collected \$8,676,121, compared with \$6,974,278 during the fiscal year 1955-56.

The extra penny was put on cigarettes as one of the items to provide an increase in pay for school teachers.

The elaborate decorations on the armor worn by knights of the Middle Ages grew out of necessity for identifying the men behind their enveloping garb.

3 Given Stiff Terms On Morals Charges

FREDERICK, July 10 (AP)—Circuit Judge Patrick M. Schnauffer today handed down stiff penalties after three men admitted to what he called "some of the worse sex cases" he had heard in nearly 12 years on the bench.

Twenty-year terms in the Maryland Penitentiary were given to Richard Lee Gouker, 22-year-old Frederick industrial company worker, and John W. Potts, 42, Buckeystown Negro laborer. A sentence of not more than 12 years in prison was given to John Leon Ambush, 19, Dickerson Negro canner worker.

Gouker was convicted of trying to criminally attack a Frederick housewife.

Potts admitted to carrying a screaming seven-year-old Negro girl into a park where he tried to rape her.

Ambush was found guilty of passing on a social disease to three Negro children, between four and six years old. The three children were cured by penicillin, the court was told.

All three defendants acknowledged statements police said they made after their separate arrests.

W. Va. Highway Contracts Let

CHARLESTON, W. Va., July 10 (AP)—Contracts totaling around one million dollars were awarded today to low bidders on 33 highway projects, Road Commissioner Patrick C. Graney Sr. announced.

Graney said the projects all are for surfacing work on a total of 146 miles.

They include: JEFFERSON—1.6 miles secondary 25 between Mechanicstown and Kabetown, Potomac Construction Co. of Martinsburg, \$8,666; 1.5 miles secondary 10 between the junction of W. Va. 48 and Berkeley County line, Potomac Construction, \$7,604; 4 mile secondary 1-12 between junction of secondary 1-15 and junction of secondary 1-15, Potomac Construction, \$2,117; 3.1 miles secondary 25 between Myerstown and Virginia line, Potomac Construction, \$16,681; 1 mile secondary 2 at Summit Point Pike, Potomac Construction, \$5,241.

MORGAN—6.2 miles secondary 13 between Stottlers Cross and Ungers Store, Potomac Construction, \$40,561; 4.3 miles secondary 38-3 between Berkeley Springs and Johnsons Mill, Potomac Construction, \$27,194.

Three Agree To Face Robbery Charges

FREDERICK, July 10 (AP)—Three men from the Berkeley Springs, W. Va., area agreed today to go back home to face charges that they robbed a Berkeley Springs drive-in theater.

Calvin Roy Shirley and James Everett Shirley, brothers, and Richard M. Jovermale, waived extradition before Judge Patrick Schnauffer and were turned over to the Sheriff of Morgan County, W. Va.

State Police said a Frederick County storekeeper became suspicious when the three tried to convert a considerable amount of loose change into bills. He called the Frederick barracks, and the men were picked up.

Fidazzo Given Life Sentence

WESTMINSTER, Md., July 10 (AP)—Alfred Fidazzo, 39-year-old Baltimore laborer, was sentenced today to life imprisonment for the April necktie strangling of his common law wife, 27-year-old Marcia June Novak.

A jury yesterday convicted him of first degree murder without the death penalty, making a life sentence mandatory.

Police said Fidazzo, burly sewer construction worker, and Mrs. Novak, an attractive secretary, had lived together for six years. She was found strangled last April 15 in her home in Forest Glen, Anne Arundel County.

Judge James E. Boylan ordered Fidazzo sent to the Maryland Penitentiary for life.

The case was moved to Carroll County from Anne Arundel.

The dead woman's 10-year-old son, Philip Novak, testified that early on the morning of April 15 he heard a noise "like someone picking up something and dropping it," and peeked out his bedroom and saw "my father standing over my mother." By "father," he explained he meant Fidazzo.

Bedspring Goes Boing, Adding Insult To Injury

BALTIMORE, July 10 (AP)—Mrs. Laura Johnson was sleeping peacefully early today when—boing!—a spring popped through the mattress.

The 56-year-old Negro woman was treated at Johns Hopkins Hospital for a puncture wound of the right thigh.

THE POTOMAC EDISON CO.

Congressional Viewpoint by Sen. John M. Butler

WASHINGTON — At a time when the entire world prayerfully seeks some form of agreement on disarmament, two comments on last week by Marshal Tito of Yugoslavia are deserving of special attention. First, while conceding that "there is some difference" between the Yugoslavia and Soviet Union brand of communism, Tito vowed that "... we have the same aim, that is to say the building of socialism and communism." Secondly, on the best way of achieving peace, Tito clung to the doctrine of co-existence "in which we should strive to solve peacefully by way of negotiation and agreement all the problems which could arise..."

On the first point, many, including this writer, have felt that military and economic aid to Russian satellites surely serve to strengthen the political and economic objective of international communism. In the face of this latest pronouncement by a firmly entrenched communist leader, it is difficult to conclude that such assistance enhances the cause of freedom but more accurately helps in "the building of socialism and communism."

With disarmament negotiations now in progress, Tito's second observation here cited, reveals the duplicity and deceit which have always accompanied communist enterprise. Solely for

propaganda purposes, this type of statement is offered to fan the thirst for peace which rightfully exists in the hearts and minds of all mankind. Such statements are intended to capture the unsuspecting mind. Tito's emphasis on more negotiation and more agreement was no doubt deliberate, for through this process the originators and apostles of world communism have become eminently skillful in the art of the double cross. Stalin once bluntly proclaimed, words are one thing, actions another. Good words are a mask for concealment of bad deeds.

Since the Soviet Union came into being, it has broken its word to virtually every country to which it ever gave a signed pro-

mise. In treaties and agreements involving all aspects of international relations and promises, it has demonstrated that the signature of any communist government on any document is not worth the paper on which it is written. The Korean Armistice is a living example of how the communists never hesitate to break agreements when it serves their purpose.

While it has been said that our diplomats have a penchant for losing the peace for which our military forces have fought so courageously, our disarmament delegates should not ignore this incontestable record of perfidy and double cross, nor should they ignore this recent warning by Admiral Radford, Chairman of the Joint Chiefs of Staff, on the question of inspection: "We cannot trust the Russians on this or anything else."

Here are models' tricks to avoid unflattering poses for arms and legs.

Secrets Of Charm by John Robert Powers

Try For Position

No matter how beautiful your arms and legs are, they can get into very unflattering positions. Models learn how to avoid these unlovely positions; so can you. Arms seldom look their best when they dangle at your sides. This is because they feel useless and uncomfortable—and look it! If you are standing quietly, place your arms slightly behind your back, or clasp one hand lightly with the other in front or behind you. Then you'll never wonder what to do with your hands or look as if you didn't know.

The Graceful Curve

Always avoid flattening your arms to your sides. Arms lose their best shape that way, look heavier than they are, and make you look tense. Bent elbows al-

ways help to make arms look more graceful—even when you lean on your arms, keep the elbows bent enough to describe a curve. Never brace yourself to the point where elbows almost seem to bend backward.

Even a ladylike pose can be unflattering to legs. Of course you won't sprawl—but don't let your legs flatten out against a chair however erect you are sitting. Sit slightly forward on the chair instead. Cross your legs only at the ankles, never higher. This also forces a flattening of their shape. Turn very slightly from the hips as you sit, again to give the best view of your legs and more grace to your whole figure.

Unused Rooms Being Reserved By Army Group

Who foots the bill for the vacant but reserved rooms at Frostburg's Gunter Hotel? Will it be the U. S. taxpayer?

These are questions being asked in Frostburg.

A representative of the Army made reservations for all available space at the Gunter Hotel from July 7 to 19. On about July 7, 21 persons moved in but since then all but four have left, apparently to take over temporary quarters at Frostburg State Teachers College.

Before the Army made the request for all space, the rooms had been reserved for this week-end by delegates who plan to attend the annual convention of the Maryland Rural Letter Carriers Association. But letter carriers had to give way to the Army and most of the rooms remain unused. Regular patrons of the hotel have also been turned down.

The letter carriers have found space in tourist homes and motel units and it appears all will be housed despite the handicap of lost hotel space. Wilbur Ross, chairman for the convention, made the arrangements to house the more than 100 carrier delegates expected.

A hotel spokesman said yesterday the Army guests each paid their own bills as they checked out but that the hotel continues to reserve the rooms as requested.

If the Army pays the bill, the taxpayer will be providing funds for a service not received. If Army does not pay, the hotel will suffer by loss of revenue.

Army, Civilian Groups Lodged In College Dorm

U. S. Army personnel and a number of civilians apparently from Washington, D. C., have moved into Frostburg and their activities at Frostburg State Teachers College have set that town of approximately 7,000 abuzz with rumors.

But "complete secrecy" veils the operations there. Army officials say they cannot divulge their mission. County and state Civil Defense officials report they are "in the dark" about the purpose or objective of the Army personnel at Frostburg. Headquarters has been set up at the college.

One logical explanation might be that the Army-civilian team is in the area in connection with the start this weekend of the 10-day "Operation Alert 1957" in which it will be assumed the greatest military disaster ever to strike any country will hit.

According to press wire services, advance agents of some key departments of the government are refurbishing secret hideaways for the slimmed-down evacuation that will take place Friday when the word is flashed — probably between 11 a. m. and noon — that nuclear attacks on American cities have begun.

The conclusion is that since Allegany County Civil Defense operations have been geared to receive evacuees from metropolitan centers in event of an emergency, the Army's appearance at Frostburg as time for the alert nears, merely ties in with this program.

The first contact by the Army was made last week when all available rooms at the Hotel Gunter in Frostburg were engaged for July 7 to 19. Twenty-one persons moved in but since that time all but four have transferred to the college dormitory.

Despite the reported secrecy it was learned that quarters have been established on the floor beneath the college gymnasium. The area has been posted "restricted" and the windows have been blocked off.

It is reported that 15 teletypes have been installed and that four 12-conduit cables carry wires into the building. Various other electronic equipment is being placed in use.

The men are reportedly sleeping in the shower room. Helicopters have been seen in the Frostburg area twice within the past week and it is reported one is expected to land "at any time" with "key personnel."

Also on the scene have been several telephone trucks from Washington.

All of this merely adds fuel to the fire of rumor. Some say a key federal government agency will "set up shop" at Frostburg during the exercise.

The appearance of helicopters over the area at irregular intervals the past couple of weeks has raised the report President Eisenhower might fly into the area. The President will take off by helicopter at an unspecified time for an unannounced destination to participate at least one day in the 10-day exercise.

As for the county CD organization itself, staff members have been alerted but no public participation is planned, according to William G. Barger, director. C. G. Smith, deputy director, will be in charge of activating the control center in Constitution Park. No warning signals will be sounded, Barger added.

Miss Dorothy Shires Gets School Post

Miss Dorothy Shires, daughter of Mr. and Mrs. Thomas A. Shires, Park Heights, has been appointed director of pupil services for the Baltimore County Board of Education.

A former principal at the old Union Street School, West Side School and the Laboratory School of Frostburg State Teachers College, Miss Shires joined the State Department of Education in December 1947 as assistant supervisor of elementary schools in the Division of Accreditation. In 1951 she became supervisor of pupil personnel and parent education.

Miss Shires attended Frostburg State Teachers College and received her bachelor's degree at the University of Maryland and a master's degree from Columbia University.

She will take over her new duties September 1 at Towson.

Phone Work Recalled By Retired Man

HAGERSTOWN—The man who supervised construction of the first long distance telephone line between Hagerstown and Cumberland is 96 years old and recalls when there were only 90 subscribers; when the office was a private home and when a young man handled all calls during the night hours.

He is J. F. Uhler of this city who is given credit for a key role in the development of telephone communications in this part of Maryland and surrounding States.

(Uhler is an uncle of Mrs. William (Shuman) Hull of Narrows Park, Cumberland; and of the late John F. Shuman of Hagerstown, who was a C&P veteran of 40 years and well known in Cumberland.)

Uhler has been residing at a convalescent home at Caledonia five years and has been long retired as a telephone official. But he keeps up to date on dial phones and automatic long distance service. A granddaughter, Mrs. Patricia Ann Bennett is a telephone operator here.

Easements Filed Here By SRC And City

Deeds of easement filed yesterday in Allegany County Circuit Court granted parcels of land to both the Mayor and Council of Cumberland and the Maryland State Roads Commission.

The Real Estate and Improvement Company of Baltimore City granted parcels of land on Laing Avenue and Day Street to the city, while Eleanor S. Martz granted a strip of land along State Route 36 near Corriganville to the SRC.

Two 4-H Boys To Attend Camp In Garrett Co.

Allegany County will have two young 4-H Club youths at the annual conservation camp sponsored by the Maryland 4-H Club, next week at the Western Maryland 4-H Club Center at Bitterer, Garrett County.

Joseph M. Steger, county agent, said Louis Shinnamon, 15, of RD 1, and David Garland, 16, of this city, have signified their intentions of attending the camp, while another youth is expected to attend.

More than 100 4-H Club boys from throughout Maryland will be at the camp, Steger said, with each of the state's 23 counties being represented. Those attending will spend one day each studying forestry, wildlife and soil conservation.

One of the highlights will be a visit to the Luke plant of the West Virginia Pulp and Paper Company, while routine projects

will include classes, field trips and demonstrations.

A feature for next Thursday will be a conservation tour of Garrett County during which an inspection will be made at Swallow Falls State Park, the site of the only remaining stand of virgin timber in Maryland, Steger stated.

3 Eta Chapter Members To Attend DKG Conference

Eta Chapter, Delta Kappa Gamma will be represented by three members at the DKG North Eastern Regional conference to be held in Washington, August 5, 6 and 7, at the Shoreham Hotel. This is an international honorary society for women teachers.

Besides being members of the local chapter, they are all state officers. Attending will be Miss Margaret Hamilton, Lonaconing, who was elected president of the Alpha Beta State organization of Delta Kappa Gamma at the annual business meeting here; Mrs. Elaine Crowe, Cresaptown, state treasurer; and Mrs. Zeola Roberson, Garrett county, assistant state treasurer.

For the past six years, Miss Hamilton has been instructor of mathematics at State Teachers College, Frostburg and advisor to the Alumni Association. Before that she taught at Oakland High School, Pennsylvania Avenue, Fort Hill and Central High in Lonaconing. She served on the staff for the Mathematics Institute at the University of Virginia in the summer of 1953.

Miss Hamilton was valedictorian of her class at Central High School, Lonaconing; received her A. B. degree, cum laude, from Western Maryland College, majoring in mathematics, Latin and high school sciences and was recipient of the Mary Ward Lewis prize at commencement. She attended Teachers College, Columbia, and Cornell University and received her M. Ed. degree from Penn State.

A past president of the Mathematics Section of the Maryland State Teachers Association, Miss Hamilton also served as secretary and vice president of that organization.

She became a state member of Delta Kappa Gamma and later was first president of Eta Chapter when it was organized in 1949. She served as second vice president of the state organization for two years and first vice president for two years.

Miss Hamilton also is a member of Cumberland Branch of the American Association of University Women; the National Council of Teachers of Mathematics; NEA and MSTA, serving on state committees of the latter.

The Ruth Bible Class of LaVale Baptist Church held a luncheon and hamburger fry in conjunction with the meeting at the home of Mr. and Mrs. Frank Byer. Mrs. Barbara Gifford presided at the business session.

Mrs. Edith Coulihan read the Scripture and prayer was offered by Mrs. Sarah Lewis. Readings on "July 4" were given and games played.

Others attending were Linda Byer, Mrs. Doris Kaufman, Mrs. Betty Pittman, Mrs. Stanley Nave, Mrs. Vivian Statler, Mrs. Loretta Coulihan and Mrs. Betty Flanagan.

The August 6 meeting will be at the home of Mrs. Barbara Gifford.

4-H Style Revue To Be July 19

July 19 has been set for the annual county-wide 4-H Style Revue. It will be held at the LaVale Fire hall, beginning at 8 o'clock. Parents and friends are invited to attend.

Ribbons will be awarded for both construction and styling. Garments will be judged on construction July 16, at the extension office.

A rehearsal will be held July 17 at 2 in LaVale fire hall. Buses will leave Cumberland for LaVale at noon and 1:35 p. m. and return at 3:15 and 4:20.

In order to place for the state contest, the 4-H club member must have reached her 14th birthday by January 1, 1957. Younger girls may participate in the county revue. Clothes to be styled must be in the home demonstration office by 4 p. m., July 15. Every girl entering the contest should bring her clothing project record with her. Miss Mary Wise said last evening.

Personals

Randy Rice, 961 Glenwood Street, is visiting his uncle and aunt, Mr. and Mrs. John Poore, Washington.

Robert Hartman, 11-year-old son of the late Robert Hartman, flew from Houston Texas, to visit his grandmother, Mrs. Jessie W. Brotemarkle, 210 Laing Avenue. Mrs. Virginia Twigg returned to Dayton, Ohio, after visiting her sister, Miss Edith Twigg, Columbia Avenue.

Mr. and Mrs. C. William Rohrer and sons, Jamaica, N. Y., Dr. Wyand F. Doerner, Coral Gables, Fla., and John Doerner, Hagerstown, are visiting Mr. and Mrs. Wyand Doerner, 14 North Johnson Street.

WED 55 YEARS—Mr. and Mrs. Henry R. Talley were honored by their son-in-law and daughter, Mr. and Mrs. Anthony Russell, in celebration of their 55th wedding anniversary, Sunday at their home, Franklin Street. The celebration began with a dinner at noon and a reception for the immediate families was held during the evening. The former Miss Barbara Green, daughter of the late Mr. and Mrs. George Green, became the bride of Henry Raymond Talley, son of the late Mr. and Mrs. Stephen Talley, July 7, 1902. The ceremony was performed in St. Patrick's Catholic Church, with the late Rt. Rev. Msgr. Edward J. Wunder officiating. A former employee of the Taylor Tin Plate Mill, Mr. Talley is employed at St. Mary's Catholic Church.

Vernon Loar Elected Head Of Planning Group No. 5

Planning Group No. 5 of the Allegany County Farm Bureau celebrated its 10th anniversary and elected officers. The celebration was held in the form of a chicken dinner at Moon's Restaurant.

Vernon Loar was elected president; James Morgan, vice president; Mrs. Ivan Wilson, secretary-treasurer; Mrs. Arch Davis, discussion leader, and Mrs. Marshall Porter, publicity chairman.

The group also discussed the annual Farm Bureau picnic and Farm Queen contest, which will be held July 25 at Union Grove camp ground.

The next meeting will be held August 6 at the home of Mr. and Mrs. Arch Davis.

Gift Presented

The Phebean Class of Second Baptist Church presented a going-away gift to Miss Maxine Hudson at the meeting held at the home of Miss Shirley Lechliter, Maryland Avenue. Following the business session refreshments were served with Mrs. Edith Lechliter and Miss Ruth Lechliter assisting.

Others present were Miss Charlotte Mayhew, Miss Betty Leidinger, Miss Elizabeth Tipton, Miss Anna Marie Tipton and Mrs. Ralph Kraus.

The August 6 meeting will be at the home of Miss Mayhew, 949 Glenwood Street.

Wilkinson Wins Own Tourney

Mr. and Mrs. John Wilkinson won the special John Wilkinson championship game of the Pottomac Valley Bridge Club. Seven and one half tables playing 24 boards with a top of six on each and an average of 72, featured the game played Tuesday evening at the Woman's Civic Club house. Albert D. Heacox reports that Mr. Wilkinson "made bridge history by winning his own championship game with his wife with a score of 94."

Second place winners were Dr. and Mrs. Paul Castelle with a score of 90; third place, John Schaidt and John Moberly with 82; fourth, Mrs. Mary Deal and J. D. Paddleford with 76 plus.

This week's Full Master Point game of the Western Maryland Bridge Association will be played Friday instead of tonight at the Cumberland Country Club.

The monthly Full Master Point game of the Cumberland Duplicate Bridge Club will be played Saturday at 1 o'clock at the club house.

Bride-Elect Is Honored

Miss Mary Jo Brodbeck entertained with a pre-nuptial shower honoring Miss Nancy Miller, fiancée of Ralph A. Shinn. It was held earlier in the week at her home, 626 Frederick Street.

The bride-elect is the daughter of Mr. and Mrs. Clement H. Miller, 704 Frederick Street. Her fiancé is the son of Mr. and Mrs. Ralph Ames Shinn, Thurmont. The wedding is to be performed July 20. The bride-elect is a graduate of Allegany High School and the University of Maryland. Last year she taught home economics at Takoma Park Junior High School in Montgomery County. Her fiancé served four years in the Navy, after graduating from high school, and received his BS in business administration from the University of Maryland last month.

Guests at the party were Mrs. C. P. Houck, Mrs. C. H. Miller, Mrs. George Brodbeck, Mrs. Edward Keller, Mrs. Perry Shryock, Mrs. William Swanner, Mrs. Ronald Livingood, Mrs. William Peebles, Mrs. Oliver Hansel.

FALSE TEETH

That Loosen
Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Done not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug counter.

Cement Strike

(Continued from Page 20)

as schools, roads, bridges and tunnels and various private jobs are being hampered or soon will be.

On State road jobs, the most immediate need for cement is on three projects near Washington involving 11 miles of road. Two jobs near Baltimore embracing 10 miles of road will be ready for concrete in a week or 10 days.

A State Roads Commission engineer, Cordt A. Goldeisen, said 51 bridges are in various stages of construction, some needing cement, some needing steel, which also is in short supply.

The J. E. Greiner Co. said trouble may be expected next week on the Baltimore Harbor Tunnel as contractors' supplies of cement run out.

Post Card Shop Plans New Front

The Post Card Shop, 25 North Centre Street, has applied to the City Engineering Department for a building permit to construct a new glass and white brick front and new entrance.

Khrushchev Uses Leningrad Case As Club To Beat Rival

By THOMAS P. WHITNEY
AP Foreign News Analyst

Nikita Khrushchev has dug back into his pre-Moscow days to find a club with which to beat his arch-rival, Georgi Malenkov. The club is called the Leningrad case.

This frame-up, one of a number of purges of the Stalin era in which leading Communists were shot as traitors, is particularly useful to Khrushchev because it broke in early 1949, whereas he was brought to Moscow to work as an assistant to Stalin only at the end of 1949. Therefore, unlike other Stalin intrigues, it was one in which Khrushchev obviously had no part.

Persistent harping in the Soviet Union these days on the connection of the purged Malenkov with the Leningrad case indicates that this charge is going to be used as a chief item in the indictment.

Khrushchev already has brought the affair up against Stalin and the executed chieftain, L. P. Beria. Four men, including one-time Soviet security chief Victor Abakumov, have already been shot for their part in it.

For all that it remains one of the most grisly and intriguing, mysterious in the witch's brew of Stalin's purges.

No one yet has enumerated the charges were against the Leningrad case victims, exactly when the case was tried, and exactly who else, beyond four leading defendants, was executed in its bloody wake.

With Malenkov's head now on the chopping block for it, perhaps some of the unknown facts will come out at last.

Here is what is known to date: Andrei Zhdanov, leading secretary of the Central Committee of the Soviet Communist party under Stalin, died Sept. 1, 1948, under mysterious circumstances. Zhdanov had been, before he was brought to Moscow before World War II, the leader of the Communist party in Leningrad. After Zhdanov's death the position as the foremost Central Committee secretary under Stalin was taken by Malenkov, widely regarded as a keen rival of Zhdanov.

On March 14, 1949, Nikolai Voznesensky, the head of economic planning in the Soviet Union, a deputy premier of the U.S.S.R., and a leading member of Stalin's Politburo, was fired without warning from his state planning job, and, as it became apparent shortly afterward, also removed from the Politburo. Voznesensky had been a protégé of Zhdanov and had formerly worked with Zhdanov in Leningrad.

Nothing was said at the time to indicate Voznesensky's precise fate, though it became apparent that he had been disgraced and purged.

Following the disappearance of Voznesensky a number of other prominent party leaders, all associated closely with Zhdanov, also disappeared. Among them: A. A. Kuznetsov, Central Committee secretary charged with supervision over the state security organs on behalf of the party; M. I. Rodionov, premier of the Russian Republic; Peter S. Popkov, popular party chief in Leningrad; and other Leningrad leaders. Nothing was said about their fate.

Only once before Stalin's demise was Voznesensky's name mentioned in Russian newspapers—in December 1952 when M. A. Suslov, Central Committee secretary, undertook to criticize his economic views as heretical and call on all those who had praised him to recant. Stalin died shortly afterward and nothing more was heard of Suslov's recantation campaign.

The Leningrad case was first mentioned in the Soviet press on Dec. 24, 1954. At that time it was announced that after an open trial in Leningrad the onetime minister of state security of the U.S.S.R., Victor S. Abakumov, described as a henchman of police chief Beria, had been tried with five of his colleagues. Among the charges against them the official communiqué mentioned in passing that they were responsible for framing up the Leningrad case "according to which a number of party and government workers were arrested without any grounds and falsely accused of the most serious state crimes."

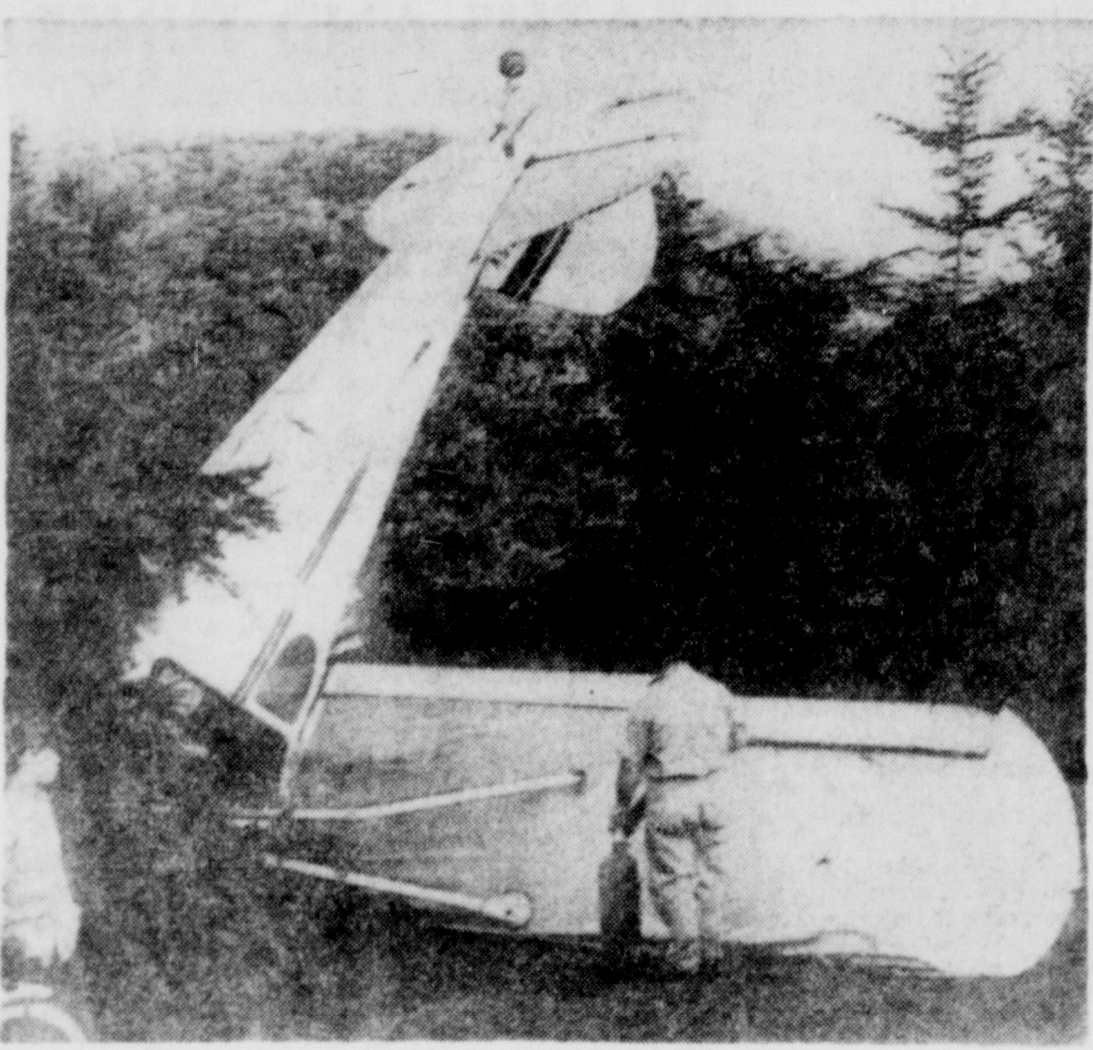

Abakumov and three of his co-defendants were shot and two were given long prison terms. The fact the Abakumov case was tried in Leningrad indicated that one of its main purposes was to rehabilitate the Communists executed because of this case.

In the official account of the Abakumov trial no mention was made of any role of then Premier Malenkov in this case. However, it was only six weeks later, in February 1955, when Malenkov was removed.

The next mention of the Leningrad case was made by Khrushchev in February 1956 in his famous speech denouncing the crimes of Stalin. He specifically revealed that Voznesensky, Kuznetsov, Rodionov and Popkov were among the men who were executed in its aftermath. He blamed the case on Stalin and Beria and said it had been based on materials fabricated by the latter and furnished to Stalin. He said: "Stalin personally supervised the Leningrad case, and the majority of the Politburo members did not, at the time, know all of the circumstances in these matters, and could not therefore intervene. When Stalin received certain material from Beria and Abakumov, without examining these slanderous materials, he ordered an investigation of the 'affair' of Voznesensky and Kuznetsov. With this, their fate was sealed."

The third time the Leningrad case was raised was in the course of Khrushchev's speech in Leningrad July 6 when he said that Georgi Malenkov had been afraid to go to Leningrad for a big anniversary celebration—because he had been one of the "most important organizers of the so-called Leningrad case."

Four men have already been executed for framing this case and it has had a key role in Kremlin intrigue both before and since Stalin's death. Perhaps now more of the facts about it will come out.

Fundamental Of Mayflower Story All But Ignored In Recreation Of Voyage

By GEORGE W. CORNELL
Associated Press Religion Writer

It was not just the wind and the sea—but a spirit—that brought the original Mayflower to American shores.

The propelling force behind the whole venture was a desire for religious liberty.

But that fundamental of the story has received little attention in the recent re-enactment of the historic voyage by the Mayflower II, which went on exhibition last week beside a Manhattan pier.

The current to-do about the journey, said the Rev. Dr. Albert D. Belden, Southwark, London, has ignored its "profound religious significance."

He said that many of the "popular acclamations" of the modern version of the voyage—designed to promote British-American unity—"would rather have been seen dead than supporting the Pilgrims of Mayflower I."

It so happens that the real Pilgrims were fed up with British rule and religious persecutions and in quest of a place where man could serve God by his own conscience.

Dr. Belden, who is minister of the Pilgrim Fathers Church in Southwark where the seeds of the idea took root, said "time has mellowed the differences and brought a wise toleration into the churches" on both sides of the sea.

He also commended the friendly objectives of the present Mayflower enterprise, but he added: "Nevertheless, it was for an eternal principle of spiritual liberty that the Pilgrims suffered and achieved—a principle as valid and urgent today as ever."

"From the religious movement of which it (the Mayflower) was the focus," Dr. Belden said, "all the liberties of modern democracy in the Old and New World have steadily emerged."

Despite widespread misconceptions on the subject, the Pilgrims—those first settlers in Massachusetts from the Mayflower—were not the Puritans, who came later and started their own brand of religious tyranny in America.

In fact, back in England, the Pilgrims (then called Separatists or Independents), were bitterly opposed by the Puritans, as well as by the Church of England. The Puritans criticized the church, but stayed mainly within it, demanding their own kind of rigid conformity.

Dr. Belden, now on a lecture tour in this country, traces the beginning of the Independent movement to a group of religious prisoners in a dismal jail in Southwark, called the Clink. A prisoner named Richard Fitz led their worship.

This group in 1471, Dr. Belden said, is the earliest precursor of the Pilgrims—of modern Congregationalism.

Later in 1590, the prisoners in the Clink were paroled, and promptly started the Southwark Independent Church, now the one of which Dr. Belden is pastor. Several of its leaders were executed. Some fled the persecutions to Holland.

But the movement continued in England, with worship services shifting from one secret meeting house to another under threat of ecclesiastical police. Six more leaders were hung in 1592.

Longing for a place of tolerance where they could preserve their English-speaking traditions, they considered going to Guiana or other places—but finally decided on the colonial soil of North America.

When the Mayflower finally left Plymouth, England, in 1620, its passengers included 35 from the group in Holland and 67 from London.

In their brave settlement in Massachusetts, its buildings hewn of rough logs, they endured all kinds of hardships—half of the 102 men, women and children dying that first severe winter.

But they formed their Mayflower Compact and made their covenants that would become beacons of spiritual and human freedom for the years to come.

Within a decade, however, other settlers, mostly the Puritans, swarmed into the colony, and their insistence on enforced uniformity, by church and state, led to hangings, whippings and burnings. But the ideal of the Pilgrims would rise again as the nation matured.

Irvine Says B58 Fastest

FORT WORTH, Tex., July 10 (AP)—Lt. Gen. C. S. Irvine, Air Force deputy chief of staff for materiel, said last night the Convair B58 "as of right now is the fastest jet bomber in the world."

"I know we don't have one to match its speed," Irvine said, referring to the fact the B58 Hustler is not yet operational in the Air Force.

"From what I have read and seen, I am equally sure the Soviets don't either."

Just a year ago Irvine and half a dozen other U.S. air generals watched the newest Soviet aircraft perform in the Red air show over Moscow.

The speed of the B58 has not been disclosed. The bomber has merely been described as supersonic, capable of flying 670 to 760 miles an hour.

Irvine spoke to U. S. aviation writers assembled here for the first official showing of the new bomber.

The plane is being produced for

the Air Force by the Convair Division of General Dynamics Corp.

has said that he won't make "Don Quixote" for Mike Todd, but that he will do a picture for Columbia. So now all hands at Columbia are looking for the right story.

Wild guesses about which glamor girl will get "Cat on a Hot Tin Roof" are becoming as hectic as the "Marjorie Morningstar" hassle until Natalie Wood came out winning "Marjorie."

Here's the truth, straight from MGM headquarters, about "Cat": NOBODY is set. Elizabeth Taylor is a strong contender, but there are problems. First Liz is expecting a baby and between battles with Mike Todd she has her heart set on starring in his "Don Quixote."

MGM casting king, Benny Thau, and producer Larry Wein-garten say the script isn't even finished on "Cat on a Hot Tin Roof." So MGM can't have offered it to Eva Marie Saint, Ave Gardner or Lana Turner, all rumored at one time or another for the neurotic heroine.

If Judy Garland and Sid Luft had ordered a night for their party they couldn't have had a balmer evening. Two hundred or more guests gathered in the spacious garden where Freddie Kar-gar's orchestra played popular tunes.

Had a long talk with Cole Porter, here for the summer. Cole says he'd do the music for a Broadway play, but has not immediate motion picture plans. Also reminisced with Frances Goldwyn.

Clifton Webb kidding asked me to tell him what his next picture will be. Bob Mitchum and his pretty Dorothy were among the early arrivals and were still there when I went home.

Judy's whole musical crowd, including the Nelson Riddles, Roger Eden, Gordon Jenkins, Sammy Cahn, Jimmy McHugh and Sammy Davis Jr., applauded the fine English concert violinist and his group who played operatic and popular numbers.

Snapshots of Hollywood collected a random: Gail Russell, with all her other troubles, has been warned by her doctor that from now on she'll have to watch her health because of a liver condition.

Gene Nelson, who has never done as well professionally since he and Miriam parted, is now teaching tap dancing lessons at Nico Charisse's academy.

The official okay from the parole board to show Elvis Presley's "Jailhouse Rock" to the prisoners at San Quentin has been received by producer Charles Schnee.

That's all today. See you tomorrow.

Goren On Bridge

Neither vumerable. East. to four, having heretofore made no promise of strength.

Declarer won the opening club lead and drew three rounds of trumps. Having no small trumps was a thorn in declarer's side, for unless he could reach dummy to put the king of clubs to work he stood in danger of losing three diamonds and a heart. Declarer then cashed the queen and ten of clubs and tried to sneak into dummy with the four of hearts. But this was not siesta time for West, who promptly rose with the ace of hearts and re-

turned a heart. This put the lead back into declarer's hand and he could not avoid the loss of three diamond tricks.

South need not have resorted to delicate strategy, for he had the equipment with which to force himself into dummy on power. After drawing trumps and cashing the high clubs, South plays the king of hearts. If West takes it, the queen becomes an entry. If West ducks, a heart is continued and West becomes saddled with the lead with no way out. If he leads a heart declared ruffs in dummy; so he is compelled to lead a diamond establishing declarer's king.

Fort Cumberland Post Wins, 12-8, Evens Legion Series

Locals Score Eight In 5th, Beat Midland

Series Is Squared At Two-All; Fleegle Posts Second Win

Rallying for eight runs in the fifth inning, Fort Cumberland Post No. 13, yesterday overcame a five-run deficit and defeated Midland Post No. 169 by the score of 12-8 at Stitzer Field in the fourth game of their best-of-seven series for the American Legion junior baseball championship of Mountain District.

The victory enabled the locals to square the series at two wins each. Midland had won the first two games, 9-3 and 8-6, and Cumberland took the third contest, 7-2. The fifth game will be staged Saturday at 2:30 p. m. at Penn Avenue Field.

Wayne Fleegle, Mt. Savage lefthander, who came on to relieve Boy Paye in the fourth inning, got credit for yesterday's win. He yielded six hits in four innings, fanned a half dozen and posted his second triumph of the series against one loss. Midland used three pitchers and George Lauder was tagged with the defeat.

In the big fifth inning yesterday, Cumberland grouped hits by Garlitz and Murray with walks to Lennox, Powell and Sheehee, an error, two fielder's choices and an infield out for eight markers and the ball game. Midland held an 8-3 lead going in the bottom of the fifth frame.

Fred Meyers, Midland first baseman, suffered a nose injury in a collision in the fifth inning and was forced to retire. X-rays will be taken today to determine the extent of the injury.

Richard Murray of Fort Cumberland and Ray Winner of Midland paced the starters in yesterday's contest with three hits each. Midland's Mike Hurr rapped a pair of two-baggers and Rodney Johnson belted a homer with two mates aboard in the second inning. Box:

W. L. Barton 10 2 Wright's Cr. 4 7
Lonaconing 9 3 Zihlman 4 7
Midland 5 7 Finzel 3 9

Barton shut out Wright's Crossing, 9-0, Lonaconing edged Zihlman, 5-4, and Finzel won over Midland by the score of 6-3 in Twilight Baseball League games played yesterday.

Lefty Jim Wilson notched his 4th win against one loss as Barton registered his 10th win of the season. He fanned seven while Ronnie Rice, losing pitcher, whiffed eight.

Woody Symons smashed a homer, double and single and Ed Warnick, "Buck" Smith and Bill Johnson had two hits each for the league leaders.

Hits by Brode, Curtis Johnson and Richmond coupled with Winner's walk produced the tying and winning runs in the 7th inning as 'Coney' downed Zihlman. Johnson clouted a double and two singles, Jack Brodie a two-bagger and single and Donald two doubles for 'Coney. John Anderson and Bob Cook had two hits each for Zihlman.

Lefty Bill Haberlein gained the nod over Paul "Bubbles" Thompson as Finzel upset Midland. Thompson fanned 11 and Haberlein whiffed seven. Haberlein had two hits for the winners while Ray Tighe smacked a triple and single and Charley Winters had a two-bagger for Midland. Scores:

Yost Idle Long Time

ST. LOUIS, July 10 (AP)—Veteran third baseman Eddie Yost of the Washington Senators acknowledged today a groin injury will keep him out of action "for a long time."

The word from Yost added a new problem to the Senators' ordinary worries as a last place club. Yost, out for three weeks, appeared as a pinchhitter last Sunday and aggravated his injury while sprinting to first base.

SCORE TIED—Herb Score of the Cleveland Indians married his school days sweetheart, Nancy McNamara, yesterday at St. Mark's Catholic Church, Boynton Beach, Fla. They are shown after the ceremony at which Father Thomas Kelley of Brooklyn, N. Y., officiated.

Nancy McNamara Is Bride Of Pitcher

BOYNTON BEACH, Fla., July 10 (AP)—Herb Score, 24-year-old Cleveland pitching star, and a high school classmate, Nancy McNamara, were married today at St. Mark's Catholic church.

The couple left on a honeymoon trip which will have to be short, because Score is scheduled to report Monday to a Cleveland doctor who will decide whether he has recovered sufficiently from an eye injury to return to baseball.

A line drive off the bat of Gil McDougald of the New York Yankees struck Score's right eye two months ago and it was feared

for a time that he would lose the sight in that eye.

Father Tom Kelley of New York officiated during the 55-minute ceremony which was attended by about 400 persons, mostly friends of the two families. Father Kelly was Score's first baseball coach when he was a boy at Rosedale, Long Island, N.Y.

There were no baseball celebrities present.

The bride is the daughter of Mr. and Mrs. Norbert McNamara of Lantana, Fla. She and Score were high school classmates in Lake Worth but their romance didn't start until after she was in college and Herb was on his way to fame as the American League strikeout king.

Largent Hurls Colts To Win

Fans Dozen, Beats Stallions, 4 To 3

Allan Largent yielded only three hits and struck out a dozen yesterday as the Colts opened their Pony Baseball League season with a 4-3 decision over the Stallions at Fort Hill Field.

The big blow was provided by Richard Marriott who drove in three runs with a timely double to give the Colts a 4-0 lead in the top of the fourth frame.

Largent collected three of his team's eight hits and Glen Davis smacked a triple. Doug Page hit a three-bagger for the Stallions. Score:

Vaughn Victor By TKO In 7th

CHICAGO, July 10 (AP)—Sharp-shooter Willie Vaughn felled Chiebo Hernandez with lefts and rights at will in the seventh round tonight to stop the rugged Mexican middleweight from Juarez on a technical knockout at 2:19.

The last three rounds of the nationally televised scrap in Chicago Stadium were filled with violence as each fighter landed staggering rights.

The pelting continued in the seventh with Hernandez head bowing closer and closer to the canvas. He finally toppled to his knees.

Hernandez got up at the count of two but was dazed and Referee Frank Sikora stopped it.

Hernandez, who knocked out Vaughn in 1954 in Juarez after the two had battled to a pair of 10-round draws, weighed 159, giving up 2 pounds to his taller foe.

Bob Purkey Turns Back Braves, 5-2

Pittsburgh Beats Milwaukee's Buhl, 28, 129 See Game

PITTSBURGH, July 10 (AP)—Young Bob Purkey gave up only six hits as the hustlin' Pittsburgh Pirates defeated the second-place Milwaukee 5-2 tonight and dropped the Braves 3 full games back of the league-leading St. Louis Cardinals.

A screaming crowd of 28,129 which celebrated "Parents Night" watched the seventh-place Pirates win their fourth in a row. Gene Baker supplied the payoff punch with a three-run single in the sixth inning to break a 2-2 tie.

The victory gave righthander Purkey a 9-7 record. He went into the game with a 2.76 earned run average, tops in the National League.

Bob Buhl, who allowed five hits in the first six innings, was charged with his fifth defeat in 14 decisions.

Eddie Mathews got the Braves off to a two-run lead in the first inning with his 18th homer of the season after a single by Red Schoendienst.

The Pirates forged a tie in the fourth on Bob Skinner's inside-the-park circuit clout.

Buhl turned back the Pirates easily in the first three innings. Their first hit came as Frank Thomas bunted safely to lead off the fourth. Buhl struck out Dee Fondy and Dick Groat to ground out. Then came Skinner's fourth circuit blast of the year.

A single by Wes Covington and a walk to Johnny Logan with one out got Purkey into mild trouble in the seventh but he got pinch-hitters Carl Sawatski and Andy Paiko on outfield flies.

In the eighth with two out, Matthews and Hank Aaron singled but Purkey fanned Covington. Purkey then got the Braves 1-2-3 in the ninth, the last two on strikeouts.

Ranker Is Hero In Rotary Win

Hits 2-Run Homer, Beats Lions, 2-1

Joe Ranker's home run following a single by Rice produced the tallies that gave the first place Rotary Club a 2-1 decision over the Lions Club in a Hot Stove League thriller last night at Penn Avenue Field.

They were the only hits made by the Rotarians off Ronnie Evans, who fanned 16. Melvin Nines, Rotary pitcher, had a no-hitter within his grasp until the final frame when an error and Yaidier's single produced the Lions' lone tally. Nines also whiffed 16.

The win made the Rotary Club's record 8-2 for the season. In the first game of the twin bill at Penn Avenue Field, B'nai B'rith nosed out the Kiwanis Club, 8-7.

The B.P.O. Elks downed the Exchange Club in an afternoon game at East Side Field, 9-5.

Eleven hits were chalked up by the Elks who occupy second place with an 8-3 record, a half game off the pace. Donnie Nave got credit for the win in a relief role and also paced the Elks' assault with a homer, triple and single. Steve Spooler and Bill DeArcangelis of the Elks and Evan Smith and Fred Schindler had two hits each for Exchange.

Nave's 2-run homer came during the Elks' 4-run rally that broke a 5-5 tie in the 6th. Spooler scored one of the runs on a balk. DeArcangelis starred at short for the victors. Scores:

Decathlon Cops Sixth Straight Stakes Victory

Defeats Nahodan And Wins \$10,387

OCEANPORT, N. J., July 10 (AP)—River Divide Farm's Decathlon carried 133 pounds to his sixth consecutive stakes victory today as he scored by two and a half lengths over Nahodan as a 2-5 favorite in the \$16,250 Rumson Handicap at Monmouth Park.

In coasting to his second triumph here and his fourth win this year, the 4-year-old bay colt by Olympia completed the six furlongs in 1:09 2/5 and paid \$2.80, \$2.20 and \$2.20.

A crowd of 23,930 viewed the 12th running of the Rumson which was run with five sprinters after the late withdrawal of Itobe.

Decathlon holds the Monmouth track record of 1:08 2/5 set in winning the Oceanport Handicap on June 11.

This was Decathlon's fifth stakes triumph in seven appearances at Monmouth in three years.

Trainer Rollie Shepp declared, "This is the greatest horse I have ever saddled."

The colt's owner, Robert J. Dienst of Columbus, Ohio, who was rewarded \$10,387.50 for Decathlon's victory, said: "The horse has a bigger heart than he is."

Decathlon, who was purchased for \$15,000 as a yearling, has a lifetime earning of \$229,212.00. He was the champion sprinter of 1956.

"Red" Is Pinched

ST. LOUIS, July 10 (INS)—Red Schoendienst who made the only error in yesterday's All-Star baseball game has a date in St. Louis August 13 because of another error.

The Milwaukee Braves' second baseman was ticketed by a policeman last night as he was hurrying to catch a train. The officer reported Schoendienst drove 58 miles an hour in a 30 mile zone.

Schoendienst was given a court summons for August 13.

Elks Beat Eagles At Frostburg, 7-1

FROSTBURG, July 10 — The Elks won over the Eagles in a Frostburg Little League game today by the score of 7-1 and moved within a half game of the first place Lions.

The Lions lead with a 6-1 record and the Elks are in the runner-up spot with 6-2.

Donnie Richards collected four of the Elks' 13 hits, including a pair of doubles. Ralph Spriggs rapped a two-bagger and two singles. Clark and Howars hit doubles for the Eagles who were limited to six hits by Winters. Score:

West Defeats East In Pony All-Star Tilt

Homers Net 5 Runs In 8 To 4 Triumph

Circuit clouts by Ronald Emrick and Leroy Morris of Mt. Savage and Jimmy Pollack of Lonaconing accounted for five of the eight tallies as the West, managed by Ralph Dickel, whipped the East yesterday at Frostburg by the score of 8-4 in the annual All-Star game of the Bi-State Pony Baseball League.

Emrick and Pollack hit their round-trippers with one aboard while the bases were empty when Morris connected.

The West pitching combination of Bobby Green, Mt. Savage; Jimmy Pollack, Lonaconing; Wayne Johnson, Midland and Jim Evans, Frostburg, held Manager Curtis Hickie's East team to four hits, one of which was a homer by Gary Duckworth of Corriganville with one on. The other East hits were singles by Ted Femi, LaVale; Dick Shaffer, Corriganville, and Gary Clem, Cresapton.

Emrick with a homer, double and single and Morris with a round-tripper and single sparked the West's 12 hit assault on Fred Murphy, Corriganville; Twa in Lowery, Ellerslie and Johnny Hinds, Cresapton. Bobby Green was the winner and Murphy the loser. Score:

Stan Musial Plays Last Doubleheader Of Season

Will Sit Out Second Games Of Twin Bills

ST. LOUIS, July 10 (AP)—Stan Musial, the National League's iron man, said today he has played his last doubleheader of the 1957 season.

The great St. Louis Cardinal star, with the full approval of Manager Fred Hutchinson, has decided it would be best for him as well as his team if he sat out the second games of twin bills for the remainder of the season.

"I have reached the point where playing two nine-inning games in one day takes too much out of me," Stan said a little sadly. "I find that after playing a doubleheader I'm no good for the next two days. I'm sluggish, slow and tired and of little use to the club."

"Consequently, Hutch and I agreed that hereafter I'll play only in one of the games of doubleheaders. I think that in that way I not only would prolong my career but I could be much more useful to the club."

Musial, who will be 37 next November, is in his 16th season with the Cardinals. He hasn't missed a game since the final day of the 1952 season. During that stretch he has played in 861 consecutive games to supplant Gus Suhr, former Pittsburgh first baseman as the National League's most durable player. The immortal Lou Gehrig's major league mark of 2,130 consecutive games is far beyond Stan's reach.

Although he still is batting a

Miteff And Mederos To Fight At Capital

WASHINGTON, July 10 (AP)—Promoter Goldie Ahearn announced today heavyweights Alex Miteff of Argentina and Julio Mederos of Cuba will meet in a 10-round fight at Capitol Arena July 26.

Miteff, 1955 Pan-American heavyweight champ with a 10-0 record, stopped Fernando Pala of Philadelphia in two rounds in New York last Monday night.

The Mederos-Miteff bout will be carried over the usual (NBC) Friday night TV-radio hookup.

Willie Hartack Thrown, Suffers Cracked Vertebra

Nation's Top Rider Injured At Arlington

Tossed By Smoke Me Now; Must Wear Cast Three Weeks

CHICAGO, July 10 (INS)—Willie Hartack, America's number one jockey since 1955, was knocked out of action for an "indefinite period" today when he was thrown from his mount in the first race at Arlington Park.

Hartack suffered a cracked vertebra.

The 25-year-old jockey who was scheduled to ride Calumet Farm's Iron Liege Saturday, the same colt he rode to victory in last May's 83rd Kentucky Derby, was thrown from a two-year-old maiden in the first race as he sought desperately to avoid running onto the heels of another horse.

X-rays taken at Elgin's St. Joseph's Hospital showed that the Johnstown, Pa., jockey suffered a cracked vertebra and a possible break in his 10th rib.

Must Wear Frame Cast

Dr. Herman L. Carr, head physician at Arlington Park, said that Hartack "may be out for five months," but at the same time said the hard-riding jockey could be back "in a month."

Dr. Carr said that Hartack will have to wear a frame cast "for at least three weeks." Carr made the announcement after Hartack was taken to St. Joseph's Hospital in Elgin for X-rays and blood tests.

The physician commented: "X-rays showed that Hartack suffered a break in his 12th dorsal vertebra which is the last vertebra before the lumbar region. He may have suffered a break in his 10th rib."

Hartack was thrown as he tried to avoid running onto the heels of another horse as the pack neared the top of the stretch.

Led Riders Two Years

Hartack, the nation's leading rider in 1955 and 1956, was strident Reverie Knoll Farm's two-year-old maiden, Smoke-Me.

Stunned and suffering a great deal of pain, Hartack said: "I was beginning to move up when another horse in front of me, (Sir Boss) began to slow down. I tried to avoid him but I couldn't hold my mount back and he fell."

Plan Underway To Reorganize Mt. Top Chamber Of Commerce

General Meeting Called Monday

OAKLAND — A meeting has been called for Monday, July 15, of the Mountain Top Chamber of Commerce, in an effort to reorganize and rejuvenate the body into a more active community unit.

I. R. Rudy Jr., local merchant, has been named chairman of a nominating committee, assisted by Merrill Cargo, Newton Coplin, Lowell Loomis, Irvin Feld and Thomas Cain. They will submit a slate for election of new officers.

Mr. Rudy said there are 29 paid up members of the chamber at present, and many business people believe this should be increased to at least 75 business and professional people and firms. Membership in the organization has been \$25 per year.

The Mountain Top Chamber of Commerce has promoted some business activity, but does not have full time office personnel and has been operated largely on a volunteer basis. With the growth and expansion of the town, community and county, increased interest in recreational potential and Deep Creek Lake and the possibilities for industrial and business expansion, many people believe the chamber should be enlarged, incorporated and made much more active.

Present officers include Emile Germain, president; I. R. Rudy Jr., vice president; Charles L. Briner, secretary; and William O. Treacy, treasurer.

Keyser Legion To Install

KEYSER — A joint installation of officers of Boyce-Houser Post, No. 41, American Legion and the Ladies Auxiliary will be conducted in the Legion Memorial Home at 8 o'clock tonight. Courtney Pratt, of Moorefield, is postmaster, and commander of the Legion's 10th W. Va. District. He will be the installing officer. Refreshments will follow the program.

Robert McBride and Robert Stagg, local post's representatives at the 1957 Boys' State, are expected to be present to give an accounting of their experiences while attending Boy's State at Jackson's Mill. A feature of the installation will be the presence of Luther Kephart, RFD 1, Keyser, who will be installed for his 27th consecutive term as finance officer of the post.

Tri-Towns Lions Club To Hear Mayor Baker

WESTERNPORT — Mayor Rodney Baker of Piedmont will be the principal speaker at the regular dinner meeting of the Tri-Towns Lions Club today at 6:30 p.m. in the recreation room of Mt. Calvary Lutheran Church. Mayor Baker will discuss the proposed sewer disposal plant, a part of the expansion program of the Luke mill of the West Virginia Pulp and Paper Company.

Births Announced

FROSTBURG — Mr. and Mrs. Homer Fisher, Baltimore, announce the birth of a son there on July 2. The mother is the former Miss Mary Lou Walbert, daughter of Mrs. Clara Walbert, Centennial Street, Frostburg. The father is a son of Mr. and Mrs. William Fisher, Welsh Hill. Mr. and Mrs. Patrick Souder, of here, announce the birth of a daughter yesterday in Miners Hospital.

Paper Workers Union Holds Installation

Action Deferred On United Fund

WESTERNPORT—Newly elected officers of Luke Local No. 676, United Pulp and Paper Workers CIO-AFL were installed at the Union Hall, here, Tuesday evening July 9, by Harry Scott, Covington, Va., vice president of the UPP.

Wilbur "Farmer" Johnson began his fifth term as head of the local. Other officers installed include Charles Butler, first vice president; Leroy Imperio, second vice president and George Patterson, third vice president.

Larry Mayhew, sergeant-at-arms; Eugene Dawson, recording secretary; Miss Olive Metcalf, financial secretary; Wilbur Wagner, trustee; and Melvin Washington, chaplain.

Lewis J. Ort, general chairman of the 1957-58 County United Fund Appeal, pointed out the advantages of the local forming a chapter in the United Fund. Woodward D. Pealer, associate chairman of the drive, was also introduced by President Johnson.

The discussion for action for the consideration of the local forming a chapter was postponed to the next meeting.

Family Night was observed by the local and refreshments were served.

New Boy Scout Troop Formed At Keyser

KEYSER — The newest Boy Scout Troop, No. 59, in Keyser, was instituted by Potomac Council Sunday, when the unit received its charter at First Methodist Church, sponsor of the troop. David Nuzum, chairman of Tri-Valley District, Boy Scouts, conducted the charter presentation.

Following a short talk on scouting, Mr. Nuzum presented the troop charter to Rev. Charles Paskel, pastor, who then presented it to Frederick Dayton, institutional representative, who in turn, turned the charter over to John Markly, scoutmaster.

Registration cards were presented to Norman Moore, James Summers, John Markly Jr., Joseph Hull and Robert Clements.

The following are members of the troop: H. M. Hedrick, Raymond Wolford, Wayne Wilson, Dr. Thomas L. Ansel, Dr. Allen L. Murphy, Dr. Donald Kiser, Harrison Fuller, Charles Rennix, Joseph Hull, John Mills Sr., William Clements, Fred Irvin, Grant Staggs and Benjamin H. Randalls. Terrell Randalls and Frederick Snyder, are assistant scoutmasters.

Oakland Scouts Home From Camp

OAKLAND — Eighteen Boy Scouts of the Mt. Lake Park Troop and their leader have returned home from a week's camping at Camp Potomac, Oldtown.

Twelve advancements were made. At a Court of Honor Foster Riggs was presented his life badge by his father, Foster A. Riggs, scoutmaster of the troop. James Cuppett, James Mundy and Thomas Schable received first class pins and John Thayer, Jack Jones, James Sebald, Gary Trickett, Michael Nitz, Jeffrey Getty, Peter Bucklew and Todd Schaible were advanced to second class. Others attending were Richard DeWitt, Harold Schmidt, Eldred Riley, Joseph Gerald and Porter Welch of Troop 70 and Richard McManis of the Oakland troop.

Gun Blast Victim Reported "Improved"

FRANKLIN — George I. Simmons, 11, Franklin, W. Va., is reported "improved" at Rockingham Memorial Hospital where he was admitted July 1 after being injured by a shotgun blast fired by his father, Joseph Simmons.

Simmons had been on the critical list since being admitted. He was struck by a blast from a 16-gauge shotgun as he crawled on his hands and knees near his home.

His father had grabbed the gun after the youngster's sisters had gone into the Simmons home near Franklin and reported hearing a noise like a wildcat or some other wild animal. The youngster had been picking raspberries with his sisters and circled back to scare them.

State Building For Workers Now In Use

Over 100 Visit Mechanic St. Site

The Cumberland office of the Maryland Department of Employment Security opened for business in new and larger quarters at 239 North Mechanic Street yesterday with Robert B. Kimble, executive director, and numerous other department officials on hand for the occasion.

Approximately 100 persons visited the new and spacious office building which has been leased by the DES from the Mountaineer Corporation of Cumberland for 10 years. Open house was held there yesterday from 4 to 6 p.m.

Many of the visitors were local employer representatives as well as county, state and city leaders, including State Senator Charles M. See and his wife, Mayor Roy W. Eves, Postmaster Thomas F. Conlon, Trial Magistrate Donald W. Mason and many others.

Issues Invitation

Declaring that the new building will always be open for inspection by the public, Mr. Kimble, who journeyed from Baltimore to Cumberland with other department officials to attend the open house, issued an invitation to workers, employers and the community in general to visit the office and familiarize themselves with the services available.

Francis A. Kenney, manager of the Cumberland office, said the new building, a one-story brick and concrete-block structure designed and constructed specifically for Employment Security operations, is one of five such new structures to be occupied by department offices in Maryland. The others are in Annapolis, Cambridge, Salisbury and Westminster.

"By operating in quarters suited to our needs," Mr. Kenney said, "we hope to increase efficiency and improve our services to both employers and workers in the Cumberland area."

Varied Program

He pointed out that the Department of Employment Security has a many-sided program which includes disbursement of unemployment insurance benefits, dissemination of economic statistics and other data, and such services as job placement, farm placement, employment counseling, testing veterans programs, job analysis and programs for youth, older workers and handicapped workers.

In the fiscal year ended in June of last year the Cumberland office paid \$863,576 in insurance benefits in Allegany County. Under similar programs financed by the federal government, \$117,496 was paid to unemployed veterans and \$9,184 to unemployed federal workers.

Allegany County employers made contributions to the state insurance fund of \$833,120, he said.

During the same period the Cumberland office placed 2,997 workers in agricultural and non-agricultural jobs, administered aptitude tests to 1,840 persons and gave employment counseling to 1,690 persons.

In addition to Mr. Kimble and Mr. Kenney, DES officials at yesterday's open house were T. Walter Gough, director of local office operations; John B. Henry, director of personnel and training; Vernon P. Nengel, director of fiscal management; Max A. Orlowe, employer-employee consultant; Donald E. Ebersole, field supervisor for Western Maryland; Henry B. Ciscle, superintendent of service and supply; and Frank Gay, director of public relations.

Ridgeley Boy Hurt

Thomas Lindsay, 12, of 133 Main Street, Ridgeley, was admitted to Memorial Hospital last night with possible knee injuries he sustained when he ran into a parked car while riding his bicycle.

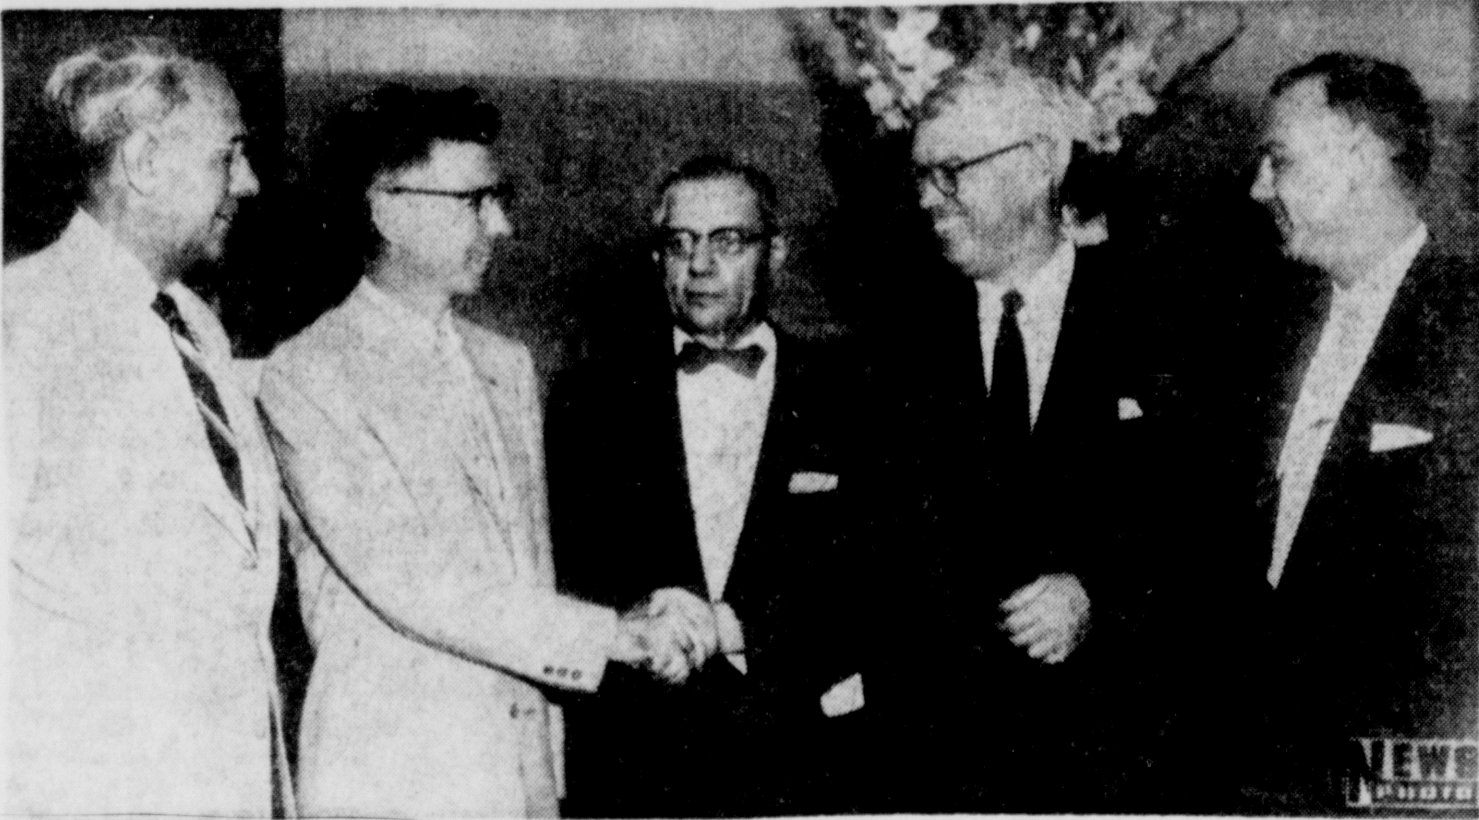

National Farm Safety Week Begins On July 21

Farmers of Allegany and Garrett counties are being reminded to join Maryland and the nation in the observance of National Farm Safety Week which will be held July 21 through July 27.

"Safety Makes Sense," is a simple slogan which has been adopted for this year's observance.

COLLECTION DAY THURSDAY

New DES Office Opens Here

T. Walter Gough, director of local office operations from Baltimore, congratulates Francis A. Kenney, manager of the local office, as the Department of Employment Security opens its new quarters at 239 North Mechanic Street with an open house. Several other officials look on. Approximately 100 persons attended the opening yesterday with DES officials from Baltimore

accompanying Robert B. Kimble, executive director of the department, here for the occasion. Left to right are John G. Thomas, president of Local 1874, Textile Workers of America; Mr. Kenney; Mr. Kimble; Mr. Gough and Donald W. Mason, local trial magistrate. The new local office is one of five new ones in Maryland cities.

Legionnaires Request Direct VA Home Loans

Claim Many Vets Seek GI Mortgages

Fort Cumberland Post No. 13, American Legion unanimously adopted a formal resolution Tuesday night, requesting the Veterans Administration to permit Allegany County veterans to negotiate "GI" mortgage loans directly with the Veterans Administration.

The resolution, signed by the post commander and post adjutant says in part that, "many veterans in Allegany County have taken advantage of their right and opportunity to finance their home under the favorable terms of the 'GI' home financing plan and there are numerous other young veterans who desire to take advantage of the benefits offered by this type of financing."

It is further stated that "in recent months local financial institutions in Allegany County have become more and more reluctant to participate in home mortgage loans under the GI Bill, allegedly due to the higher interest rates offered by other types of mortgage financing, so that the home financing benefits under the GI Bill have become practically non-existent for the veteran residing in Allegany County."

The Veterans Administration, in the resolution, is requested to remove the exclusion of Allegany County as a direct loan area so that the VA can accept loan applications, as is the practice within the majority of counties within Maryland.

The question of direct loans with VA is also to be discussed at a meeting of Mountain District and local members say they will make an effort to get action at the Department convention in Baltimore, later this month.

Plans were outlined at the meeting for the Child Welfare and annual stag picnics, and all delegates were reminded of the caucus to be held at the post home tonight at 8 o'clock.

Stuffed Animal Show Slated At Ridgedale

A stuffed animal show will be held at the Ridgedale playground this evening beginning at 7 o'clock.

Pat Cioni, playlot director, announced that a movie will follow the show and refreshments will be available. Tomorrow will be picnic day at the playground with the outing beginning at 12 noon. The playlot also sponsors a dance every Tuesday night.

Heart Association Cites Need For Career People

The health agency field, both voluntary and official, is experiencing a shortage of professional personnel, and many opportunities are open to qualified people. The growing interest and demand for the work of health agencies, leading to the answers of many health problems such as heart disease and cancer, is expected to create additional demand for qualified workers in the years ahead.

According to F. Allan Weatherholt, president of the Allegany Garrett Heart Association, a survey has been made and a bulletin has been prepared by the American Heart Association on this growing problem.

When high school classes convene throughout the country in September, the American Heart Association, through its affiliated chapters, will make available to guidance teachers, principals and interested students and teachers information on this type of work.

Qualified high school students will be urged to begin a program of study which will prepare them for work in public health, public administration, health and physical education, social service administration, business administration and journalism. These, it has been found, provide the proper background and training for work in the field of better health and health education.

At the present time, the local president pointed out, the Heart Association, largest of all the volunteer health agencies, is constantly on the lookout for field representatives; program consultants and directors; chapter executives and information and education specialists.

These fields are open to both men and women, but each requires special training and experience.

The brochure which has been prepared for high school students outlines the work in these several areas, and also notes the toll that disease takes in death each year. Diseases of the heart and blood vessels account for 790,000 deaths annually. Cancer claims 229,000. Accidents total 93,000. Pneumonia contributes to 52,000. Diabetic death total is 25,000 and tuberculosis accounts for 20,000.

In each of these fields, Mr. Weatherholt pointed out, much research and education must continue to be done. Young people who have a feeling of social responsibility and who enjoy working with people and for people will find an interesting career in these jobs, he said.

40 & 8 Delegates To Caucus Friday

Voiture No. 164, the 40 & 8 Society, will hold a caucus of delegates to the Grand Promenade to be held in Baltimore on July 25, 26 and 27, at the chateau, Harrison Street, Friday at 8 p.m.

Clarence A. Eyre, chairman of the delegation, said it is important that all delegates attend the caucus to discuss action the local voiture will take in filling some state offices with local voyagers.

Delegates, besides Eyre include Phil Fleming, Harold Davis, Charles Griffith, George Zegles, John Shoemaker, Robert Ferree, Samuel A. Graham, Paul C. Weisenmiller, Oscar Shober, Russell Paupe and Galen Storer.

Kelly Wage Talks Planned Each Day

Discussion on wages will be conducted each day until a definite pattern is established between the Kelly-Springfield Tire Company and Local 26, United Rubber Workers, James W. Stein, president of the union said yesterday.

The negotiators have held two meetings in the conference room at the Kelly plant this week and expect to meet every day until a basic pattern is formed. It is expected progress in the talks will be noted by next week, Mr. Stein said.

Marine Corps Opens Quota For Enlistees

For the next month or two, opportunities for enlistment in the US Marine Corps are almost unlimited, due to the large number of enlistments which expire during the summer month, calling for replacements, T/Sgt. Clifton P. Shotwell, local recruiter noted yesterday.

There is currently a shortage in most occupational and career fields in the corps, and men considering the Marine Corps as the place to meet their military obligation should apply now.

The "Buddy System" is also in effect, whereby two or more men can enlist at the same time and remain together during their recruit and advanced training at Camp Lejeune, N. C. In the past, they have sometimes split up after recruit training, but the corps now keeps "buddies" together through advanced training and on assignment where possible, Shotwell said.

Two local youths enlisted in the Marines here this week, Sgt. Shotwell said. Glen Hunter, son of Mr. and Mrs. William Hunter, 11 Altamont Terrace, and Jesse Harris, son of Mr. and Mrs. Alfred Harris, RFD 1, Westernport, have gone to Parris Island, S. C., to begin their basic training. Harris signed for two years and Hunter enlisted for three.

Marine Group Inspection Set

The assistant director of the Marine Reserves in a five-state area including Maryland and West Virginia will be in Cumberland today to make a personnel inspection of the Sixth Special Infantry Company, USMC, McKaig's Hill.

He is Major R. Landwehr who recently assumed duties of the new position and will make the inspection during the regular weekly drill of the company which is commanded by Major Patsy Algieri.

Capt. Richard V. Molesky, inspector-instructor of the local reserve unit, said last night that Major Landwehr will be accompanied by his assistant, Capt. Welton Vest.

During the inspection Major Landwehr will ask the men various questions on military knowledge and also check their appearance and observe their training.

Last night Major Landwehr inspected a unit located in Parkersburg and will conduct similar inspections in Maryland, West Virginia, Kentucky, Tennessee and the District of Columbia which are included in his district of jurisdiction.

Major Landwehr will also inspect the inspector-instructor staff headed by Captain Molesky. The drill at McKaig's Hill begins at 7 p.m.

Badly Burned Truck Driver Reported 'Fair'

Lloyd Poland Injured When Hit By Train

Lloyd Poland, 31, Kirby, W. Va., who was badly burned yesterday morning when a pickup truck he was driving was struck by a Diesel locomotive near Romney, was reported to be in "fair" condition last night at Memorial Hospital.

Poland, who was admitted to the hospital shortly before noon with burns about his entire body, was driving a truck carrying bottled gas.

The hospital reported he suffered first degree burns on his arms and second and third degree burns over the rest of his body.

West Virginia State Police at Romney, who investigated, said Poland was injured when his pickup truck was smashed by a one-unit Baltimore and Ohio Railroad Diesel just off State Route 28, two miles north of Romney.

Police said Poland was hauling seven tanks of bottled gas and was driving on the property of Richard S. Kuykendall.

The state troopers stated that Poland apparently didn't stop at the track crossing and was struck broadside by the Diesel which was pulling three box cars and two coal cars.

Police said the Diesel pushed the small truck approximately 550 feet down the tracks.

Armod Sanoli, a fireman on the engine, said he saw the truck approaching the tracks and shouted to the engineer, but they were unable to avoid the accident.

After the impact the engineer and fireman ran to the truck and started to pull Poland out. Police said the seven tanks started to explode shortly after Poland was freed, and within seconds the vehicle was a mass of flames.

Volunteer firemen from Romney went to the scene and extinguished the blaze. The truck was a total loss.

Police said Poland would have been burned to death if the railroaders had not been alert and saved him.

Residents in the area told police they could hear the explosion for a long distance.

Police noted that the visibility at the spot of the accident is very good.

Six Area Men Join Air Force

Six area men were accepted this week for enlistment in the United States Air Force, and have been sent to Lackland Air Force Base, Texas, for basic training.

According to Sgt. James C. Owens, recruiter in charge of the local station, the July quota for enlistments here has been filled and August is about two-thirds filled. In fact, eight men in addition to those accepted, were returned here from Baltimore to await a July quota.

The Cumberland recruiting office, effective immediately, will assume the responsibility of recruiting in three more counties: Mineral Hampshire and Garrett. The local station has been recruiting in Allegany and Bedford counties.

The six men who were accepted for duty include Ronald G. Hendrickson, Bedford Road; John M. Lyons, 617 Miller Avenue; John R. James, Grantsville; Ronald L. McKenzie, Mt. Savage; Donald L. Messenger, Corriganville, and Terrance L. Veach, RFD 1, Bedford, Pa.

Cement Lack May Hinder Flood Jobs

Current Supply Won't Last Long

Contractors have informed Rex E. Dexter, resident engineer for the U. S. Army Corps of Engineers, that supplies of cement are dwindling fast and that if no new amounts are forthcoming soon, the flood work situation here may become critical.

The contractors have approximately 1,500 to 2,000 barrels of cement on hand and are now in the midst of their busiest season, pouring concrete at an average of 170 to 200 yards per day. New cement supplies are being held up by a national strike.

Mr. Dexter explained that the local cement for the most part is received from Mannheim, W. Va. He said that officials of the Mannheim concern will meet today to discuss the situation, but believed that the situation is not good.

The supply of cement will last about two or three more weeks if good weather prevails and pouring of concrete continues at the present pace, Mr. Dexter observed.

Meanwhile, work is progressing rapidly on the temporary wooden span across Wills Creek at Baltimore Street.

The wooden structure is completed, Mr. Dexter said, with only the approaches remaining to be constructed before the bridge can be put into use. This is expected to take about two or three more weeks.

Presently C & A Gas Company workers and C & P Telephone Company linemen are removing existing gas lines and telephone cables from the concrete bridge and transferring them to the temporary structure.

Mr. Dexter explained the transfer of the telephone cables require a tremendous splicing job and the telephone company has informed him that about two weeks will be needed to complete the job.

New manholes already have been constructed at each end of the bridge and trenches have been dug on the Baltimore and Greene Street entrances for the underground work. When these trenches are filled in at the completion of the telephone and gas lines transfer then the bridge approaches will be readied and blacktopped.

Cement Strike Hampers Some State Projects

BALTIMORE, July 10 (AP)—The nationwide cement strike already is hampering some construction jobs in Maryland and builders may soon find themselves scraping the bottom of the cement sack.

A check indicated today that by week end there will be a real shortage. In 10 days to two weeks the pinch is expected to be acute.

The only cement plant operating in the Maryland area is the Standard Lime and Stone Co. at Martinsburg, W. Va. It is operating on a day-to-day basis as a new contract is being negotiated.

North American Cement Corporation's plant at Security, Md. near Hagerstown, has been struck since June 29. The Lehigh Portland Cement Co. factory at Union Bridge has been closed since July 1.

Several hundred Marylanders are idle in the dispute in which the striking United Cement, Lime and Gypsum Workers seek a 16 cent hourly raise.

The cement pinch in the Baltimore area came in the wake of a six-week construction workers strike last spring.

In Maryland, public works such as

16 B&O Trains Move Scouts To Jamboree

8,700 Youngsters Will Use Railroad

Trains of the Baltimore and Ohio Railroad are taking part in the mass movement of Boy Scouts from all over the country to the Fourth National Jamboree which gets underway tomorrow at Valley Forge, Pa.

A spokesman for the company said the railroad has scheduled 16 special trains to handle the migration in addition to all the scouts traveling to the big campout on the regularly scheduled passenger trains.

Planning for the job of safely transporting thousands of teenage boys to and from their homes began several months ago. It is one of the largest concentrated movements the railroad has ever scheduled in peacetime.

The greatest majority of Boy Scouts traveling to the Jamboree via the B&O will move over the Reading Railway from Philadelphia for the final miles out to the historic heights overlooking where Washington's Colonials withstood the worst winter of the Revolution.

The B&O will carry more than 1,000 additional Scouts on the return trip from the Jamboree. Most of this extra thousand will take advantage of the B&O's route through the nation's capital for additional opportunities of sighting.

A total of 8,700 Boy Scouts are expected to use the B&O's facilities upon the completion of the Jamboree next weekend.

Four Seabees Are Presented With Citations

Four members of Naval Reserve Seabee Division 5-7, located at the U. S. Naval Reserve Training Center on McKaig's Hill, have been presented citations for outstanding rating in training duty.

L. Cmdr. W. W. Hill, commanding officer of the unit, said the ratings were given to Miss Mildred E. Peterson, yeoman stenographer 2C; James E. Wilson, yeoman typist 1C; Boyd C. Rice, electrician chief; and James K. Koerner, yeoman stenographer chief.

Commander Hill, who said that Koerner received a similar citation last year, pointed out that only about two per cent of the Navy personnel receive such a rating.

The local construction unit works with the regular Navy and Reserve units on land and sea. Assistant to Commander Hill is Lt. (jg) Maurice Treacy.

There are 42 enlisted personnel and two officers in the unit which plans a picnic on Tuesday evening, July 16 at Minke's, following the regular drill.

The Seabee unit went to the aid of Boy and Girl Scouts this past weekend and helped them prepare for the summer camping.

Amcelle Honors Ellerslie Man

G. Allan Cook, Ellerslie, was presented an engraved gold wrist by R. Finley Thompson, plant manager, on the 25th anniversary of his employment with the Celanese Company here this week.

Mr. Cook began work at Amcelle in 1932 and was upgraded to machinist in 1944. He is married and the father of one daughter who is also married.

His outside activities include membership in the Patriotic Order of the Sons of America, Camp 88, Ellerslie.

W. D. Claus, plant engineer, joined in honoring Mr. Cook by awarding him a gold five-star Celanese service and emblem and certificate of 26 years' service.

Births

Mr. and Mrs. Robert Dicken, Hyattsville, announce the birth of a daughter yesterday morning in Georgetown Hospital there. The mother is the former Miss Ann Buzzard, daughter of Mrs. Helene Buzzard, 206 Seymour Street. The paternal grandparents are Mr. and Mrs. Werner Dicken, Hyattsville, former residents of Cumberland.

Mr. and Mrs. Phillip Henderson, former residents, announce the birth of a daughter last Sunday in Mercy Hospital, Baltimore. The maternal grandmother is Mrs. Frances Schaffer, 830 Williams Street.

Memorial Hospital

Mr. and Mrs. Wayne S. Abbott, Cresaptown, a son yesterday.

Mr. and Mrs. Joseph E. Kregler, RFD 3, city, a daughter yesterday.

Mr. and Mrs. Charles S. Sine, RFD 3, city, a daughter yesterday.

Mr. and Mrs. Robert T. Kemp, Moorefield, W. Va., a daughter last night.

New Building Is Planned By Area Eagles

Three Dwellings Will Be Built

Building permits for the construction of three area homes and an addition to the Cresaptown Eagles Home, with a total estimated value of \$35,000, were among those issued in recent days by the Allegany County assessing department.

Paul F. Keller of Deal Avenue, Park Heights, was issued a building permit to construct a frame dwelling with a full cellar at an estimated cost of \$10,000. The structure will measure 33.4 feet by 35.8 feet.

The Cresaptown Eagles Home, Inc., was granted a permit to construct a building of concrete block for use as a club room. Estimated cost of the building is \$9,200.

Ralph D. Hampson of 10 East Street, city, was issued a permit to build a dwelling which will measure 30 feet by 38 feet. It will have a concrete block foundation and will include a cellar. The estimated cost of the frame dwelling is \$9,000.

George J. Helmick, of Route 5, city, was granted a permit to construct a dwelling with brick walls and concrete block foundation at an estimated cost of \$7,000.

PPG Access Road Parking Ban Gains Approval

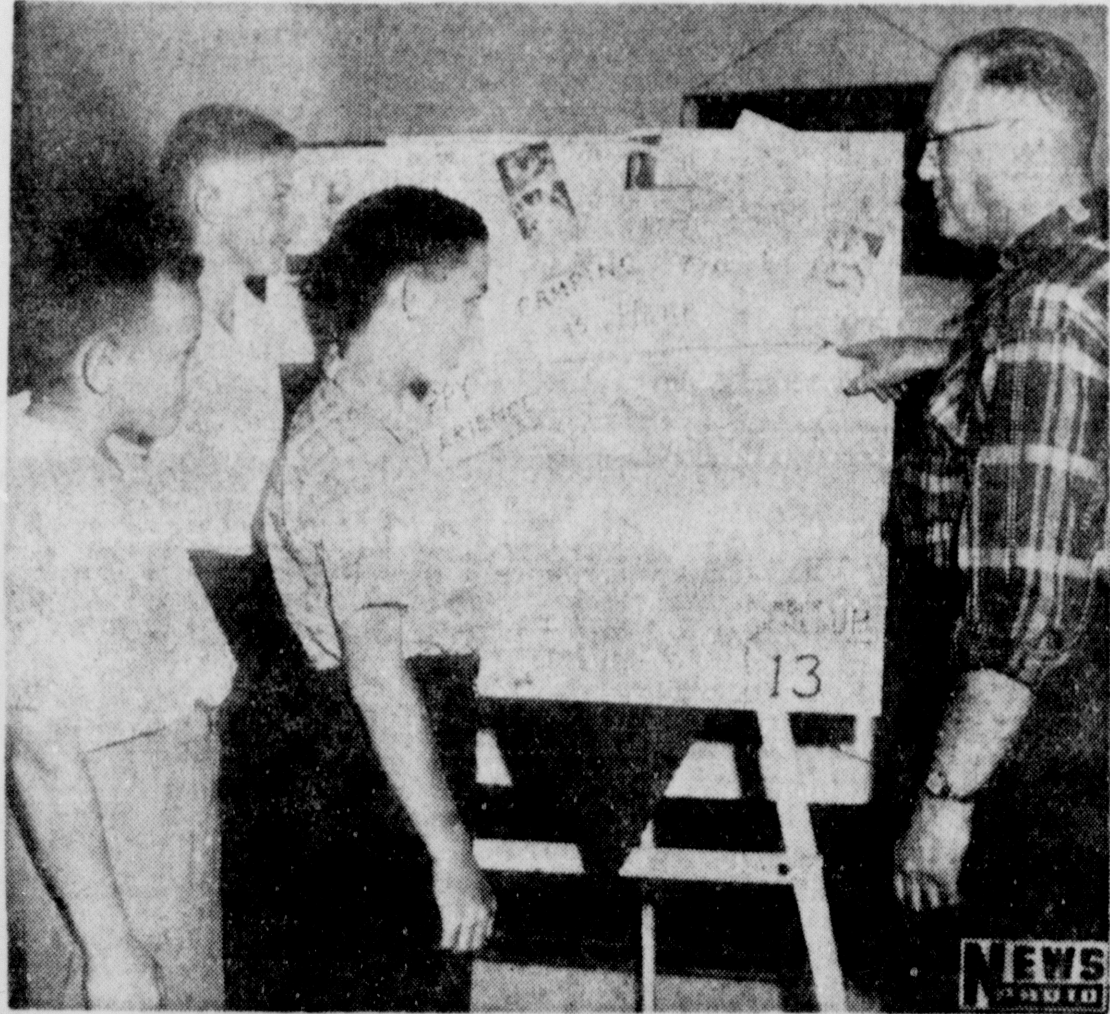

No parking signs will be placed along the access road leading to the Pittsburgh Plate Glass Company plant at North Branch.

During a meeting of the Allegany County Board of Commissioners Tuesday morning J. Walker Chapman, supervisor of county roads, recommended that such signs be installed.

The commissioners authorized Mr. Chapman to install the signs after the road is turned over to the jurisdiction of the commissioners.

In other business Tuesday, the commissioners accepted a bid of \$100 from Paul Clites for a parcel of land located in Section C of Cellulose City Addition near the Amcelle plant of Celanese.

Previously Mr. Clites submitted a bid of \$50 for the county-owned lot.

Check Camping Site

Three of the young boys who will spend two weeks camping at Camp James M. Speers in the Pocono Mountains of Pennsylvania check a map with Lawrence H. Dehn (right), Central YMCA program secretary, to spot the location of the association-sponsored camp. The three youths will be among 13 who have registered for the visit which begins this Sunday. Left to right are Stephen Curry, John Jackson and Richard Twigg Jr. Mr. Dehn will accompany the group the local YMCA will send to the camp near Dingman's Ferry for the first time this year.
